# FINE PRINT: THINGS YOU SHOULD KNOW

## IS SHE/HE OLD ENOUGH?

For all programs, **age requirement will be as of the date of the first class**, unless otherwise specified. Please do not request to have your child put in a class he/she does not belong in. All age requirements are set to benefit the children and make instruction more consistent for the program leader. In some instances, the requirements have been set for the child's safety.

## WHO'S THE TEACHER?

The Oak Creek Parks & Recreation Department assigns the most qualified leaders available to all program activities. Your feedback regarding instructors / leaders is always welcome.

## HOW MUCH IS IT?

The policy of the Department is that those who participate must help defray the overall cost of the activity. Fees and charges are assessed according to the needs of the program, such as leadership, equipment & supplies, etc.

### Note:

The Department does not want to exclude children who are unable to pay these fees due to financial hardship. The family unable to pay all or part of the fees or charges may contact the office. Arrangements will be made for their participation.

## NEED TO TRANSFER?

Anytime a team or individual requests a transfer, and the Department can accommodate the transfer, a \$2 service charge will be payable to the Department.

There is no charge for transfers initiated by Department Instructors or for those accompanied by proof of the child passing/failing the previous class.

## NEED A REFUND?

Refunds will be made upon request up until 1/3 of the scheduled classes have been held (i.e. 3 classes of a 10 week session) except as noted in individual class descriptions.

A \$2 service fee will be charged on each refund requested by an individual.

In the event an activity a person signs up for is cancelled, that person will have the option of a full refund or a transfer to another activity.

Overpayments must be picked up in the Parks & Recreation Office within 2 weeks of notification to avoid forfeiture (under \$5) or a \$2 check processing fee (over \$5).

## IS THERE CLASS TODAY?

If you have a question concerning the cancellation of a program (inclement weather, school closed, etc.) **CALL THE 24-HOUR INFO LINE FIRST AT 299-9721 or in bad weather watch Channel 12, 4 or Fox 6.**

It is sometimes necessary to cancel an activity due to school-related functions. Participants will be notified of cancellations as soon as we are aware of them.

Every attempt will be made to reschedule a cancelled activity. However, if a class is unable to be rescheduled, no refunds will be issued.

## CAN I WATCH?

In an effort to provide the best and safest environment for programs, we do not allow persons other than registered participants in the classroom or pool during instruction.

Our instructors have found that parents &/or other children can cause distractions and interruptions in instruction.

We also feel it is most beneficial for your child to have recreational time with his/her peers, and for adults to have time in an adults-only atmosphere.

### Open House:

You are welcome to discuss your child's progress after each class, and attend the open house held during the final class of the session.

## HAVE A COMPLAINT?

If, after you begin a class it does not meet your expectations, please contact the Oak Creek Parks & Recreation Department at 768-6515 to discuss the problem.

## DO YOU HAVE INSURANCE?

The Department does not provide hospital/medical insurance coverage for program participants. Further, the School District does not provide hospital/medical coverage for Department sponsored activities. Participants are encouraged to obtain their own insurance coverage prior to and for the duration of the activity they take part in from their own insurance agent.

## WHERE DO I PARK-ENTER?

All Recreation participants using the Oak Creek High School are asked to enter and exit through the main doors at the **EAST** end of the building. The west doors are generally locked after school hours.

## AM I A RESIDENT?

A non-resident fee is set for most activities. The non-resident fee applies to any person whose primary residence is not within the Oak Creek city limits at the time of registration. Attendance in the Oak Creek-Franklin School District does not constitute residency. All individuals or groups registering in classes or activities must show proof of City residency such as a current State of Wisconsin driver's license, a current utility bill, etc. If proof of residency cannot be validated, the non-resident fee standards will be applied.

We're going to "Noodle Nights" at the high school pool... (Pg. 8)
