CITY ADMINISTRATOR'S OFFICE GERALD PETERSON

CITY CAPACITY CHALLENGED

In 2015, the City of Oak Creek issued \$230 million in building permits and 2016 looks to be on pace or ahead of last year's activity. As a result of the State Legislature's permanent freeze on property taxes, the City can only expect to generate additional property tax revenues (our primary source of revenues used to pay for services provided to you) to fund operations from new construction activity. In the City of Oak Creek, much of our new construction activity is and has occurred within Tax Increment Districts (TIDs). Generally, the new tax revenue generated within these TID districts is pledged to paying for the public infrastructure needed to serve the property within the District. These tax revenues are usually pledged for the duration of the District, which is routinely 20 years.

The result of little new revenues over the last five years to fund activities outside of TIDs has been to place additional workloads on City staff throughout the organization without the ability to increase staffing including: police and fire services, street and park construction and maintenance, water and sewer operations, library services, and building inspection, engineering, finance, and administrative operations.

I am proud of our positive and "can do" staff response over the last five years to these added workloads. However, the challenges impacting our capacity to provide excellent public services to residents and businesses throughout the community remain. The Common Council is aware of these challenges and they have been supportive within the resources the community has provided. Our capacity to continue to absorb added workloads without service or work quality reductions into the future without additional staffing has been reached at various operational levels, and in my judgement, surpasses staffing capability currently in some of our operational areas.

In order to solicit community input on City services and taxes, the Oak Creek Common Council approved a community survey to be prepared and mailed to 1500 residents to gather your feedback. Residents who did not receive the survey directly were able to complete it on the City's website (www.oakcreekwi.org). A presentation of this community survey input is scheduled in front of the Common Council for its June 21st meeting. The survey results will also be available on the City's website following this presentation.

To follow up resident feedback from the community survey, the Common Council has also provided for: a Strategic Planning Process to be undertaken using the input gained from the survey and further asking residents to participate in a process of planning for the future to identify community priorities. Strategies will need to be developed to implement your vision of the community. You will be able to follow this discussion by attending meetings, reading the *Acorn*, reading

our new *Community Lifestyle Magazine*, following us on Facebook, Twitter, or by accessing information from our website. Democracy is a participatory endeavor.

The Oak Creek Common Council truly values community input and has a history of acting on your collective input regarding the vision, ideas, and priorities for the City. Let your Alderman and the Mayor know what you value, what should stay, what should go, what the future looks like, and what you are willing to support in services in the form of taxes from your hard earned resources.

MEET THE MAYOR

2nd Tuesday of the Month ~ 4 - 6 pm
Oak Creek City Hall - Delphi Room
8040 S. 6th Street

Mayor Scaffidi will conduct monthly "Meet the Mayor" listening sessions in the Delphi Room at City Hall every second Tuesday of the month from 4-6 pm. Residents can come in to City Hall and talk with the Mayor. You will be asked to sign in. Residents can also schedule individual meetings with the Mayor at their convenience, by calling (414) 766-7000.

WALK WITH THE MAYOR

Residents can also "Walk with the Mayor" at the Oak Creek High School track on Saturdays from 9 to 10 am.

JULY 4th FESTIVITIES

Join us on Monday for our annual 4th of July Parade. The parade will start at 9 am from Groveland Dr and Verdev Dr. It will wind its way through the city and end at the Legion grounds. Bring the whole family for games, face painting, bike judging and good food! Fireworks begin at dusk, on the East Middle School grounds. Due to the construction, the parade will assemble on Groveland Dr. between Burrell St and Verdev Dr.

ANNUAL PIG & CHICKEN ROAST

Sunday, September 11

All citizens are welcome to join us outside at Henry Miller Park where you can purchase, for a minimal amount, a fresh grilled chicken or pork dinner. Eat while listening to a live band. There's fun for everyone so bring the whole gang! Tickets can be purchased in late July at the Community Center or on the day of the event.

COMMUNITY EVENTS COMING TO DREXEL TOWN SQUARE 361 W. TOWN SQUARE WAY

The City of Oak Creek will be bringing our community together for events and activities (i.e. concerts, farmer's markets, etc.) beginning this summer in Drexel Town Square!

SATURDAY, JULY 16
featuring
Dog-related vendors, businesses, canine dock jumping & more

Pier Pups is the first of many community events at Drexel Town Square. We are planning a splashing good time with Pier Pups, a unique dock diving venue that caters from novice to pro jumpers with an emphasis on the "family dog". Does your dog love to swim and chase a toy into the water? Or do you love to watch high flying, catching and splashing canines? This event is family-friendly and just for you!

PIER PUPS
CANINE DOCK JUMPING

For information on Pier Pups or to pre-register (highly recommended) your dog for this event:

What's New in the Parks?

COUNTY-OWNED PARCELS REZONED TO PARKLAND

Earlier this year, Milwaukee County made a request to rezone 55 County-owned parcels to P-1, Parkland District. The City is in the process of approving this request. Rezoning properties as parkland will make these County-owned parcels less susceptible to sale and development. Falk Park and the Runway Dog Park are two areas within Oak Creek that were included in the rezoning request. The request was made to address an amendment that was passed in the last State Budget giving the County Executive authority to lease or sell non-parkland property without County Board approval. As a result of this amendment, the County Board passed a resolution to protect parks and parkland, and directed the County Executive to request that 55 County-owned parcels in the City be rezoned to P-1, Parkland. A list of parcels can be found on Plan Commission agendas located on our website at--

www.oakcreekwi.org

ABENDSCHEIN PARK PHASE 3 DEVELOPMENT

Over the past 10 years, the City has made strides in implementing the Abendschein Park Master Plan. During that time, the City has installed a skatepark, a playground, an open air shelter, a cricket pitch, a restroom/concession building, a retention pond, and has expanded parking.

The next development phase for the park is to be completed this fall. This phase includes adding approximately 4,430 linear feet (0.8 mile) of 8-foot-wide asphalt recreational trails through the southern and eastern portions of the park. In addition, approximately 1,700 linear feet of mulch pathways will be constructed through the wooded area of the park. To connect the southern and eastern portions of the park, there will be a bridge spanning the Oak Creek. Overall, the park will have approximately 12,000 linear feet or about 2.3 miles of recreational trails throughout the park.

After the trail and bridge project is complete, about 3.5 acres located in the southwest corner of the park will be converted to prairie. Partially funded from a grant received from MMSD (Milwaukee Metropolitan Sewer District), the City will be starting the process of establishing a flower laden prairie. The first phase will include the killing of the existing vegetation and seeding of the area next spring. This process will take approximately three years to complete, as prairie plants take a longer time to establish and grow. There are many websites explaining how to successfully establish a prairie. If you want to learn more about what it takes to establish a prairie, go to--

www.prairienursery.com

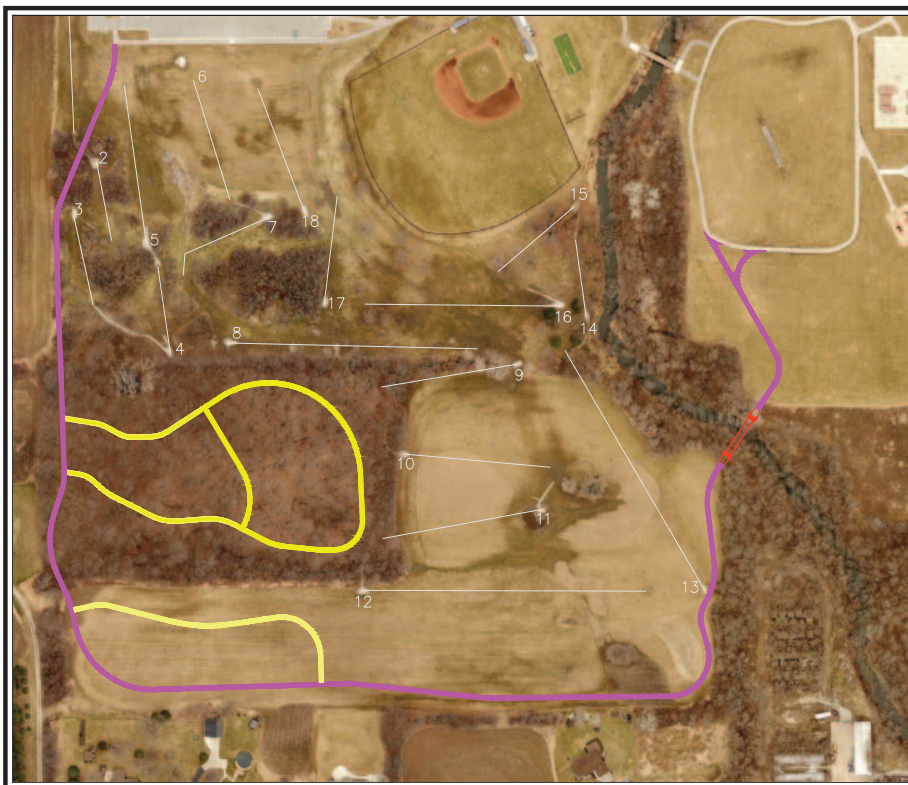

Once complete, the area should be a beautiful wildlife habitat with numerous wildflowers that can be observed from the recreational trails.

GARBAGE & RECYCLING CART INFORMATION

Per Section 8.41 of the City of Oak Creek Municipal Code, household combined garbage not placed in a container provided by the City of Oak Creek or its contractor, will not be collected. Also, all containers shall be stored upon private property & screened from public view and shall not be stored in the front yard setback.

Also per Section 8.42, garbage shall be placed for collection no later than 6:45

a.m. of the morning of collection. Then per Section 8.43, no carts shall be placed at the curb any earlier than 6:45 p.m. on the day prior to the scheduled collection day. Also, residents shall restore containers to their original storage location after collection on the same day as the collection.

As of January 1, 2015, Advanced Disposal collects both the garbage & the recycling for the City of Oak Creek. You should continue to use the carts you have in the same way.

If you have collection issues, need additional carts, replacement carts or

a repair to either of your carts, please contact:

Advanced Disposal - 262-679-0860

Also effective, January 1, 2015, when there is a holiday within the week, from the holiday day forward, Advanced Disposal will be doing your pickups one day later than normal, for the holiday week only. The regular schedule will then resume the next week. Reminder signs are no longer placed street side.

FIRE DEPARTMENT TOM ROSANDICH, FIRE CHIEF

GRILLING SAFETY

There is nothing better than a barbeque on a warm summer night. The Oak Creek Fire Department would like to make sure that residents keep safety in mind when they fire up their grills.

GAS GRILL SAFETY TIPS

1. Check grill hoses for cracking, brittleness, holes, and leaks. Make sure there are no sharp bends in the hose or tubing.
2. Move gas hoses as far away as possible from hot surfaces and dripping hot grease.
3. Always keep propane gas containers upright.
4. Never store a spare gas container under or near the grill or indoors.
5. Never store or use flammable liquids, like gasoline, near the grill.
6. Never keep a filled container in a hot car or car trunk. Heat will cause the gas pressure to increase, which may open the relief valve and allow gas to escape.

CHARCOAL GRILL SAFETY TIPS

1. Never burn charcoal inside of homes, vehicles, tents, or campers.
2. Charcoal should never be used indoors, even if ventilation is provided.
3. Since charcoal produces CO fumes until the charcoal is completely extinguished, do not store the grill indoors with freshly used coals.
4. Allow charcoal and ashes to completely cool prior to disposal.

Warmer weather means children spend much of their summer vacations in the water. Whether it's a backyard pool or open water such as a river or lake, parents can take several steps to keep their children safe this summer.

- Actively supervise children whenever they are near water.
- Enroll children in swimming lessons as soon as possible to get them comfortable with the water.
- Small children should always swim

with an adult, and older children who are more experienced swimmers should swim with a buddy.

- Make sure that children only swim in designated swimming areas.
- Teach children that open water swimming is much different than swimming in a pool. Current/undertow, uneven bottom surfaces and weather conditions can have an effect on their experience in the water.
- Consider building a fence with a gate around your pool.
- Install an alarm on the gate to alert you if a child enters the swimming pool area without your knowledge.

DIAL 911

It may seem like a simple task, but in the event of an emergency, dial 911 to reach fire, rescue and emergency medical services. Time is of the utmost importance in the event of an emergency and every second counts. For example, fires double in size every minute. Fires that start out small can easily grow to engulf entire buildings. Serious medical conditions like a heart attack, stroke, or traumatic injury require immediate attention by medical personnel. The Oak Creek Fire Department provides not only fire suppression, but also Paramedic level emergency medical care. With three stations strategically located throughout the city, the Fire Department is only minutes away.

HANDS-ONLY CPR

As a part of an initiative in Milwaukee County, the Oak Creek Fire Department has Hands-Only CPR training materials at each station. These materials can be signed out so that citizens can facilitate in-home training. Each training kit contains a CPR manikin, training materials, and an instructional DVD.

OAK CREEK LIBRARY EAGLE SCOUT PROJECT

Sam Konieczny, a Life Scout in Oak Creek,

Troop 218, is working on his Eagle Project which consists of three mini-projects benefitting the Oak Creek Public Library and the community it serves. The first project is to design, build and install a 6 foot by 8 foot Illumination Peg Board for an interactive experience. The second project is to purchase and install a 65 inch Interactive Touch Screen display for interactive kid friendly content. Lastly he will be making a pair of wood checker/chess tables.

Sam is trying to raise the \$6,700 to cover the expenses for his projects. If you would like to help, go to Oak Creek Public Library Web Site, select Oak Creek Public Library Foundation link and donate directly through the website. Type in the reference note apply to "Sam Konieczny's Eagle Project".

All donations are tax deductible as long as the donation is made in the form of a check payable to the Oak Creek Public Library Foundation. You will receive a thank you letter on the foundation's letterhead which will serve as your receipt for tax purposes.

TREES AND PROPERTY LINES -**How to Reduce Conflicts between Trees & Neighbors**

A well designed landscape, beginning with the careful placement of trees, can have quite a positive impact on your property. Conversely, there are times when unforeseen circumstances or poorly placed plants can create difficult situations between neighbors. Respecting the property line, and your neighbors, is the best way to ensure that our neighborhoods look great and our residents stay on good terms.

The City is not a source of legal advice regarding boundary issues. In fact, the City cannot become entangled in a boundary conflict between private properties. We can provide assistance in finding a qualified arborist and potentially advise you on the technical issues of a tree. For instance, we could confirm that a tree is a dead American elm or that your ash is infested with emerald ash borer.

Here are some possible measures for maintaining healthy trees as well as good relationships with neighbors.

Landscape Planning and Maintenance

Check out the plat map that often comes with a home purchase. Milwaukee County provides an internet accessible interactive map with aerial views and an overlay of property lines and other useful tools. It helps to have an accurate knowledge of your property boundaries.

- One of the most common mistakes made during landscaping is to plant a large growing tree in a small space. We've all seen that blue spruce overflowing a ten-foot space in a tiny front yard. Know the potential size, shape and particular habits of your tree selections. A large tree canopy could be over 60 feet wide at maturity. Some trees will be less than two inches wide when planted but have stem growth of 5 feet wide in 30 years.
- Trees are often used to define some portion of a lot. It may be wise to consciously avoid planting on property lines. Offset vegetation to consider

the width as plants grow taller and wider.

- Keep trees pruned to avoid directing low branching or deadwood into your neighbor's yard.
- If you want to develop a tall canopied, spreading tree, hike it up while it is young and adaptable.
- Avoid planting tall-growing trees under overhead powerlines.

Take responsibility when your trees cause serious issues for your neighbors.

Wood Lots

Perhaps you are considering the purchase of a wooded lot. You can save money, headache and heartache if you consult with a qualified, certified arborist for an evaluation and protection plan for the trees you select to save. A good arborist can help you select the best trees and provide species-specific information that may protect you from difficulties in the future. A good look around the perimeter of the property will also help to safeguard against potential future conflicts with neighbors due to problem trees.

Problem Boundary Trees

Perhaps you or your neighbors have inherited some declining boundary trees or find yourselves in a difficult situation due to a serious tree disease or insect.

It is best to accept the fact that the problem isn't going to go away on its own and that it will likely cost you something in the future to resolve. Acknowledge when a removal exceeds your skill level. Hazard tree or branch care is best handled by a professional.

A proactive approach to boundary vegetation can help everyone enjoy the benefits of healthy trees and landscapes.

Fast Tree Fact: Oak trees, although reputed to be slow growing, can grow very quickly for the first 30 years or so.

RECYCLING YARD INFORMATION

720 W. Puetz Road

**Tuesdays, Fridays & Saturdays
8 a.m. until 3 p.m.**

In addition to the regular hours, the yard is open Tuesday evenings ONLY until 8 p.m. starting the first Tuesday in April through the last Tuesday in September.

Any residence that receives an individual property tax bill may use the recycling yard. Occupants of trailer parks that have private garbage pickup may use the recycling yard for disposal of yard waste ONLY with the exception of grass clippings, which are not accepted.

- * NO items may exceed 4' in length except for branches, furniture, appliances & metals.
- * NO contractor vehicles will be allowed in to the yard.
- *The yard does NOT accept shingles, roofing materials, grass, gas, medical or hazardous waste, paints or vehicle salvage.
- * All freon appliances (refrigerators, freezers, dehumidifiers, air

conditioners & water coolers) brought to the recycling yard will be charged a \$15 per unit fee. Doors need to be removed from refrigerators & freezers. A fee of \$7 per TV will be charged for drop off of same. Tires brought to the recycling yard should be free of rims. A fee of \$3 per tire will be charged.

USAgain now has a bin located at the yard for depositing textile items such as clothing, shoes, bedding, towels, curtains, handbags, backpacks, etc. It is located at the end of the garbage compactors. See yard attendant if you have any questions.

SPRING CLEAN-UP BEGINS

MONDAY, MAY 16, 2016

The Street Department will conduct their spring clean-up beginning on Monday, May 16, 2016, for residential homes or condos that have City provided garbage & recycling pickup.

There is **NO CHARGE** for this pick-up. Items that will be picked up are as follows:

- Furniture
- Wood
- Metal
- Mattresses
- Televisions
- Carpeting/Rugs
- Appliances (Doors need to be removed from refrigerators & freezers).
- Construction Materials - NOT resulting from a contractor
- Garden Clippings - excluding leaves, grass and branches

Items that **will not** be picked up are as follows:

- Paints
- Tires
- Batteries
- Grass Clippings
- Leaves
- Concrete
- Branches
- Concrete/Stone
- Hazardous Materials
- Fluorescent Lights

Residents are required to have their items at the curb or roadside by 6:45 a.m. on Monday, May 16 in order to be guaranteed a pick up. *Once we pass through your neighborhood, we will not return for additional no charge pick-ups until the fall clean-up on Tuesday, November 15.* See Special Pick-Up section for information on how to make arrangements for a prepaid special

pick-up for other times of the year or if you should miss the Spring Clean-Up date.

SPECIAL PICK UPS

In addition to the fall & spring clean-ups that are provided at NO CHARGE, the City of Oak Creek provides special pick-ups for residential homes or condos that have City provided pickup of garbage & recycling. The fee for this service is \$25 and includes pick up of the following items:

- Appliances (A \$15 additional fee will be charged for freon appliances – refrigerators, freezers, dehumidifiers, air conditioners & water coolers)
- Furniture
- Mattresses
- Metals of any kind
- Televisions (\$7 additional fee will be charged for each TV)

Special pick-ups are done on Friday mornings ONLY. Items for pick up must be at the road by 6:45 a.m. on the scheduled Friday. Residents requesting special pick-ups must prepay the fees due by noon, the Thursday prior, in order to be put on that Friday's pick up schedule.

Please note that special pick ups **will not** be done for the following items:

- Branches
- Yard Waste
- Recyclables
- Tires
- Contractor generated materials
- Hazardous Waste
- Concrete/Stone

BRANCH PICK-UP DATES FOR 2016

NEW MONTHS BEGINNING 2016

Branches will be picked up beginning at 6:45 a.m. on the following dates:

- Monday, May 2
- Friday, July 1
- September 1
- November 1

To guarantee that your branches are picked up, you must have them at the roadside BY the dates listed above, but no earlier than 2 weeks prior.

Once we pass through your neighborhood, we will not be back until the next date listed.

Reminder, branches are to be stacked neatly with the cut ends facing the road. Roots should be separate from

the brush pile. The Street Department **WILL NOT** pick up brush that is the result of a contractor doing work on your property. It is their responsibility to dispose of the brush properly.

Branches may also be brought to the recycling yard at 720 W. Puetz Road. The hours of operation are Tuesdays, Fridays & Saturdays, 8 a.m. to 3 p.m. There are extended hours on Tuesdays from the first Tuesday in April through the last Tuesday of September when the hours are 8 am to 8 pm.

MULCH

Generally, from mid-April through mid-November, mulch is often available for **free pick-up at the recycling yard.**

Residents may call the Street Department to check availability and/or to be put on a list to have mulch delivered to their homes for a fee of \$25 per load (approximately 5 yards).

570-5682

BASKETBALL STANDARDS

There has been an ongoing problem with residents placing basketball standards in the right-of-way (terrace area). This area is defined as that area between the curb and the sidewalk, and where no sidewalk exists, that area between the street pavement and the right-of-way/property line.

Section 6.25 Terrace Areas, Section (d) of the Municipal Code states: "No structures or fixtures shall be placed in the terrace area. Examples of prohibited items would be basketball backstops, statuary, flagpoles and other objects. The exception to this subsection is the installation of a mailbox as specified by the U. S. Postal Service."

MICHAEL BOLENDER, CAPTAIN

STEVE ANDERSON, CAPTAIN

COMMUNITY BIKE RODEO

Saturday, May 21, 2016 ~ Noon-3 p.m. American Legion Post 434 Lower hall and grounds 9327 S. Shepard Avenue

Children in Kindergarten through Grade 8 are eligible to participate and may register at the event. Basic skills and bike safety tips will be offered by the Oak Creek Police Department to help prepare youth for a safe summer of biking fun. A bicycle and helmet are required to participate. Contact the Oak Creek Police Department's Community Resource Bureau at 414-766-7624 for more information.

2016 NATIONAL NIGHT OUT

Tuesday, August 2, 2016 ~ 6-9 p.m. American Legion Post 434 Lower hall grounds 9327 S. Shepard Avenue

This free and family-friendly event sponsored by the Oak Creek Police Department and Oak Creek National Night Out Committee helps strengthen neighborhood spirit and police/community partnerships and sends a message that Oak Creek neighborhoods are organized and fighting back against crime! This year's event will include crime prevention and safety messages from local and state agencies; Oak Creek Police Dept. driving skills course, ERU tactical vehicle, and K-9 Unit; Oak Creek Fire Dept. equipment and Survive Alive house; inexpensive food and drink, and a fireworks display to close out the evening.

Please bring non-perishable food items for the Family Life Center and the Salvation Army. These local food banks help the residents of Oak Creek. Baby/toddler food, canned fruit, peanut butter, canned tuna and pasta/pasta sauce are always in demand. Look for the marked balloons to drop off your items.

Bring your family and friends, meet your neighbors, and enjoy a safe and enjoyable night of information, food and fun. For more information, contact

the Oak Creek Police Department's Community Resource Bureau at (414) 766-7624.

WARM WEATHER REMINDERS

- With the warm weather comes more activities outside. There are more car windows down and gatherings at residences. Please be courteous of your neighbors with regard to loud noise and music levels. The Oak Creek Police Department responds to complaints at all times of the day, but the main hours of enforcement for loud noise/music (per City Ordinance) is between the hours of 10 p.m. and 8 a.m. The Noise Ordinance also designates that lawn care equipment cannot be operated between the hours of 10 p.m. and 7 a.m.
- Rummage sale, garage sale, advertising or other such signs cannot be placed on streets, sidewalks or other public right-of-ways, nor can they be attached to public utility poles. Illegally posted signs will be removed by police personnel.
- City Ordinance prohibits the sale, possession or use of illegal fireworks, except paper caps, snakes and sparklers. However, keep in mind that sparklers can get as hot as 1,200 degrees and can cause serious injury to young hands and eyes.

FINE PAYMENTS & OPEN RECORDS REQUESTS

Fine payments and open records requests can be made during normal business hours—Monday through Friday from 8 a.m. to 5 p.m. A 24-hour drop box is available in the station lobby for payments after hours. For more information, please contact the following:

- (414) 766-7658 – Open Records Requests
- (414) 766-7621 – Municipal Court Info.

SUMMERTIME HOME SECURITY

The Oak Creek Police Department would like to remind homeowners of a

few simple tips to protect your home during this ever-popular

“vacation” time of year:

- Residents can request a “vacation watch” of their home by the Oak Creek Police Department. Prior to leaving for vacation, contact the Department at 762-8200 (press “0” for Dispatch) and provide the dispatcher with information (i.e., your departure/return date, whether lights will be left on and when, if vehicles will be left in the driveway, any designated key holders, etc.). Our Police Aides will conduct periodic checks of your home while you are gone.
- Do not allow daily deliveries of mail, newspapers, or flyers to build up while you are away. Arrange for a friend or neighbor to pick up these items or stop your mail at the post office.
- Give your house a lived-in appearance. Put automatic timers on several lights, a radio, and a television. Set the timers so that the lights and appliances will turn on and off at random times. Leave shades and blinds in a position that you would normally leave them. Ask your neighbor to use your driveway and garbage cans.
- Arrange for your lawn to be mowed if you are going away for an extended period of time.
- Make sure all locks on the doors and windows function properly, and use them. Don't leave keys under door-mats, flowerpots, mailboxes or other “secret” hiding places. Burglars know where to look for hidden keys.
- Make sure smoke and burglar alarms function properly and are armed.
- Turn the ringer on your telephone down low or off and leave a normal message on your answering machine.
- Keep a detailed inventory of your valuables, including a description of the items, date of purchase, original value, and serial numbers, and keep a copy in a safe place away from home. Etch personal identification codes on your valuables with an engraving tool. You can also make a photographic or video record of items in your home.
- Be a good neighbor. Get to know your neighbors and watch out for each other. If you notice anything suspicious, call 9-1-1 immediately and report it to the police.

BURNING LEAVES- IS IT SAFE?

Many people love the smell of burning leaves and enjoy burning them. Did you know

that leaf burning can hurt people's health? The smoke can hurt the eyes, nose and throat of healthy adults, but it can hurt small children, the elderly, and people with asthma or other lung or heart diseases much worse. For some people, leaf burning makes it so they cannot enjoy going outside. The smoke from leaf fires is made up almost entirely of tiny particles that can reach deep into lungs and cause coughing, wheezing, chest pain and trouble breathing. For some people symptoms happen right away but for others symptoms might not happen until days after leaf burning.

Instead of burning your leaves, you can compost leaves and plant clippings, chip brush and clean wood to make mulch or decorative chips. If you really want to get those leaves out of your yard, Oak Creek residents can dispose of their leaves at the Municipal Service Recycling yard during normal recycling yard hours.

HOW YOU CAN STOP MOSQUITOS IN THEIR TRACKS

Almost everyone has had the unpleasant experience of being bitten by a mosquito. One way you can help control the mosquito population is by making sure that mosquitoes don't have a place to lay their eggs around your home. Because mosquitoes need water it's important to monitor standing water sources. These are a few ways to prevent mosquitoes:

- Get rid of standing water in rain gutters, old tires, buckets, plastic covers, toys or any other container where mosquitoes can breed.
- Empty and change the water in bird baths, fountains, wading pools, rain barrels and potted plant trays at least once a week to eliminate potential mosquito habitats.
- Drain temporary pools of water or fill with dirt.

- Keep swimming pool water treated and circulating.

The Oak Creek Health Department also helps with limiting the mosquito population. Every season we treat known water basins that consistently hold standing water in Oak Creek to prevent mosquito larvae from growing into adult mosquitos. With our work and your help eliminating standing water sources, let's stop those mosquitos in their tracks!

PREPARING FOR YOUR BARBECUE OR PICNIC

- Keep cold food cold. Place cold food in a cooler with ice or frozen gel packs. Meat, poultry, and seafood may be packed while still frozen so that they stay colder longer.
- Organize cooler contents. Consider packing beverages in one cooler and perishable foods in another.
- Keep coolers closed. Once at the picnic site, limit the number of times the cooler is opened as much as you can. This helps to keep the contents cold longer.
- Don't cross-contaminate. Be sure to keep raw meat, poultry, and seafood securely wrapped and kept separate from cooked food and produce.
- Clean your produce. Rinse fresh fruits & vegetables under running tap water before packing them in the cooler.

IS MY CAR SEAT SAFE?

Did you know that 3 out of every 4 car seats is installed incorrectly? If your car seat is not installed correctly, it can affect how it protects your child in a crash. It is recommended that you have your car seat installed with a Child Passenger Safety Technician. The Oak Creek Health Department has someone on staff to help. Call to schedule an appointment.

If you are in need of a car seat and cannot afford one we may be able to help! Call to see if you are eligible.

STEPPING ON - STAYING STEADY ON YOUR FEET AS YOU AGE

Do you have a friend or relative who has fallen? Have you fallen yourself? If so, you're not alone. Don't let the fear of falling rule your life. There are many things that can help reduce the risk of falling. The Oak Creek Health Department will be offering a fall prevention class in September 2016, date to be determined. Please call if you are interested.

What is Zika Virus?

Do you hear about diseases on the news and want to know more? The Center for Disease Control and Prevention, also known as the CDC, is a great resource for accurate information. You can visit their website at www.cdc.gov. If you have a specific question you can also call the health department to speak with a nurse.

SWIM INTO SAFETY

When the warm weather hits, many of us want to be in the pool or at the beach, but before you jump in, read these safety tips!

- Protect your skin by wearing sunscreen with a protection factor of at least 15.
- Drink plenty of water regularly, even if you're not thirsty.
- Never leave a young child unattended near water and teach children to always ask permission to go near water.
- Have young children or inexperienced swimmers wear life jackets around water.
- If you have a pool, secure it with appropriate barriers.
- If someone is missing, check the water first. Seconds count in preventing death or disability.
- Know how and when to call 9-1-1 or the local emergency number.

The Assessor's Office is conducting a revaluation for 2016. Revaluations were also performed in 2014 and 2015. As opposed to performing revaluations once every three to four years, these annual revaluations ensure assessed values are based on current market conditions which lead to more equitable assessments for property owners.

As in previous years, property owners that were approved for a building permit for remodeling, new construction, additions, wood decks, detached buildings and other similar type permits were visited by a member of the assessment staff to update assessment records. For permits relating to interior remodeling, basement finish, additions and new construction, an interior inspection was attempted. Properties that sold during 2014 and 2015 may have also received a request for an interior inspection. These properties are referred to as comparable sales and are used to establish the assessed value of other properties that have not sold. Verifying sales information with property owners is an important part of the assessment process.

In addition to the fieldwork and sales verification of certain properties mentioned above, owners of commercial real estate were mailed and asked to complete an Income and Expense Form. This information is for confidential use by the Assessor's Office by State Statute and City Ordinance. The information gathered on these forms is used to help establish equitable assessments for commercial properties based on the current market conditions relating to commercial leases. The form does not request personal or business income, only the income information relating to the lease or potential lease of the property.

Business owners that may or may not own the real estate where they conduct business were also mailed and asked to complete a Statement of Personal Property. Per State Statute, business owners are required to complete this form and return it to the Assessor's Office annually. These forms

were mailed in January 2016 with a due date of March 1.

OPEN BOOK

Property owners will be mailed a 2016 Notice of Assessment between mid-May and June of 2016. That Notice of Assessment will include the 2016 assessed value and will include instructions on how to contact the Assessor's Office during the Open Book period in order to schedule a meeting if they are in disagreement with the value.

If you have questions concerning the assessment process, please contact:

NEW CONDOMINIUM HOMEOWNERS

NEW SUBDIVISION HOMEOWNERS
Real estate property tax bills are based on what improvements are on the property as of January 1. If the parcel or condominium unit did not exist as of January 1, it will not receive a tax bill for 2016. On January 1 this property may have been land only and/or part of one large parcel. Please contact your builder/developer,

check your sales contract to review your closing statement or contact your attorney to verify if you will be responsible for any property taxes for the current tax year. If you have any questions regarding how tax payments are handled, please call the Treasurer's office at (414) 766-7000, Monday – Friday, from 7:30 AM to 4:00 PM or visit the website at www.oakcreekwi.org, Your Government, Departments, Treasurer's Office, Tax Information.

Address Changes:

If the parcel or condominium unit did exist as of January 1st, and you moved into the newly constructed home or condominium in 2016, please check the Assessor's Office page on our website or contact the Assessor's Office at (414) 766-7069 to verify current ownership and mailing address information.

Wis. Stats. 74.09 Property tax bill and related information –
(6) Effect of Failure to Receive. Failure to receive a property tax bill does not affect the validity of the general property taxes, special taxes, special charges and special assessments levied or the collection of delinquent general property taxes, special taxes, special charges and special assessments.

FINE PRINT: THINGS YOU SHOULD KNOW

IS SHE/HE OLD ENOUGH?

Age requirements are as of the date of the first class, unless otherwise specified and are designed to provide the best and safest environment for the children. Please do not request to have your child put in a class he/she does not meet the age requirement for.

HOW MUCH IS IT?

Fees and charges are assessed based on the cost of the program. The Department does not want to exclude children of families experiencing financial hardship. Resident families needing financial assistance should contact the office at 766-7920.

NEED TO TRANSFER?

Transfers will be made at no charge.

NEED A REFUND?

Refunds will be made upon request until 1/3 of the scheduled classes have been held, except as noted. Refunds are issued based on your original payment method. **A \$3 service fee** will be charged on each refund. Avoid the service fee by requesting credit to your account in place of a refund.

CAN I WATCH? OPEN HOUSE

You are welcome to discuss your child's progress before or after each class and attend the open house held on the final class date. Only registered participants are permitted in classrooms during instruction. This avoids distractions and interruptions in instruction, and allows adults to participate in an adult-only atmosphere.

MAKEUPS? MISSED A CLASS?

Classes missed due to absence are not "made up" nor may participants attend classes other than the one they are registered for.

Activities cancelled by the Department will be rescheduled, if possible. If a class is unable to be rescheduled, no refunds will be issued.

HAVE A CONCERN?

If a class does not meet your expectations, please contact the Oak Creek Recreation Department at **766-7920** or email rec@oakcreekwi.org to discuss your concerns.

AM I A RESIDENT?

The resident fee applies to any person whose primary residence is within the Oak Creek city limits at the time of registration and children in the Oak Creek-Franklin School District. For proof of residency information, please see [page 42](#).

PROOF OF DATE OF BIRTH

Proof of date of birth for all children is required at their first registration

DRAMA PRODUCTION ~

12 classes
COMPLETED GRADE 6 THRU AGE 16 OR HAVE COMPLETED GRADE 5 WITH PREVIOUS DRAMA EXPERIENCE

All is quiet on the storefront as the small clothing shop is closed for the night, but when the lights go down, the activity really picks up. Patty and LuAnn, two lively mannequins, discover fellow mannequin Danny in a mistakenly delivered crate. Together they scare off two bumbling crooks while avoiding detection by the security guard and some late night window shoppers. Don't miss your chance to be part of this award-winning comedy, popular with all ages!

BUILD A LEGO VILLAGE

June 16

This workshop will provide children with the opportunity to design the Oak Creek Olympic Lego Village. Lego blocks provided, children bring your imagination!

Presented by: John Peine, Architect

Activ/Sect # 921005 L1

BUGGY OLYMPICS

July 14

Buggy Olympics is a unique program that combines three things that are irresistible to kids: putting on a show, competition, and bugs! Participants will explore the theater process as they perform a puppet show based on the book "The Bugliest Bug" by Carol Diggory Shields. Children will discover lessons about insects and their creepy crawly relatives and will try to "out compete" some of their favorite insects in the Buggy Olympics while getting up-close and personal with some live insects.

Presented by: Nature in the Parks

Activ/Sect # 921005 L4

KITE MAKING

RUN LIKE A CHEETAH, HOP LIKE A HARE!

June 30

This Art in a Suitcase program exercises children's bodies and brains. Cheetahs, hares, hummingbirds, flamingos, fleas, crickets, and lizards are among the record-breaking animals featured. After learning terrific and true animal facts, children will try to run like cheetah, hop like hare, flap as fast as a hummingbird, and imitate other animal actions. Program includes a hands-on art project: an origami cheetah that each child can take home.

Presented by Mary Tooley, Artist

COMMUNITY EVENTS COMING TO DREXEL TOWN SQUARE 361 W. TOWN SQUARE WAY

The City of Oak Creek will be bringing our community together for events and activities (i.e. concerts, farmer's markets, etc.) beginning this summer in Drexel Town Square!

**DOG DAY
AT DREXEL**

SATURDAY, JULY 16
featuring
**Dog-related vendors,
businesses, canine
dock jumping & more**

Pier Pups is the first of many community events at Drexel Town Square. We are planning a splashing good time with Pier Pups, a unique dock diving venue that caters from novice to pro jumpers with an emphasis on the "family dog". Does your dog love to swim and chase a toy into the water? Or do you love to watch high flying, catching and splashing canines? This event is family-friendly and just for you!

PIER PUPS
CANINE DOCK JUMPING

For information on Pier Pups or to pre-register (highly recommended) your dog for this event:

www.pierpups.com

For updates on this event and information on other community events to be held at Drexel Town Square, go to the City of Oak Creek Government page on Facebook.
