City of Oak Creek Government

CITY ADMINISTRATOR'S OFFICE

ANDREW VICKERS

Andrew J. Vickers, City Administrator

I wanted to take the opportunity to introduce myself as your new City Administrator. With the recent retirement of City Administrator, Jerry Peterson, the City Council embarked on a recruitment process to fill this vital leadership position, and I was lucky enough to have the opportunity to serve the City. By the time you are reading this, I will be on the job about 60 days.

By way of background, I came to Oak Creek from the Green Bay area; actually, a suburb, called the Village of Hobart. I served Hobart for the better part of the last 9 years, and prior to that, served as Assistant to the City Administrator in Wauwatosa while finishing up my graduate degree in Public Administration from UW-Milwaukee. My plan was always to get back to southeast Wisconsin, so when the opportunity came about in Oak Creek, I jumped at the chance. A lot changed for me in the last 9 years in the Green Bay area. I was married to my wife, Erica, and we now have two young children, ages 2 ½ and 1. We recently purchased a home in Oak Creek, and intend to be a part of the community for a long time to come.

Speaking of change, Oak Creek has clearly gone through its own renaissance over the last several years. Due in large part to re-branding efforts and very forward-thinking City leadership, Oak Creek has become the community of choice for new residents and businesses. It is an exciting time for the City of Oak Creek from many perspectives, and it is clear the Mayor and City Council are intent on staying on the course of welcoming growth to the community, but without sacrificing historical City values and heritage. By

focusing growth efforts in strategic, targeted areas of the City, we can maintain our balance of rural charm, while providing retail/service businesses, restaurants, and manufacturing job opportunities for long-time residents, and folks new to our community.

What has struck me so much in being new to Oak Creek is the immense sense of community pride throughout the City. It is clear our residents value our strong education system, our safe neighborhoods, our recreational amenities, and of course, when the need arises, proximity to things the City of Milwaukee offers...but without having to actually live in the big City (or pay its taxes)!

The City's "value proposition" to its residents and taxpayers is also striking. Our City is led by excellent, service-oriented and professional staff at all levels. The level of service provided to taxpayers is truly "full service". Several times during my on-boarding with the City, I have asked other staff this question: "we provide that service to residents too?". Cities and Villages around Wisconsin boast about being full service

communities. Well, Oak Creek really is the example of full service. Those services come at a cost, but it has also been enlightening for me to find out that Oak Creek has the lowest tax rate of any municipality in Milwaukee County, and this has been the case for several years in a row!

Moving forward, please be assured I want the same things that you do for Oak Creek. I want to provide for my family and have my children get a great education. I want to live in a clean, safe environment and I want my children to understand the lifelong values that come from living in such an ethnically and culturally diverse community as is Oak Creek. All of the City leadership strives to maintain and improve upon these quality of life traits, and many others, every day.

Please be sure to drop me a line with any ideas you have to improve the City. My email is: avickers@oakcreekwi.org and my office phone is 766-7060.

I am truly honored to serve as your City Administrator.

SOCIAL EMOTIONAL SCREENING TOOL

You may be aware that you should keep track of your child's developmental milestones, but what about their social-emotional health? It is important that every child has strong social-emotional skills. You may be wondering: Is my 3-year-old crying "too much", Are my child's tantrums out of control, or are they within what is expected of a two-year-old. The Ages and Stages Questionnaire: Social Emotional is the gold standard social-emotional screening tool. This tool helps you celebrate your child's developing skills and learn concerning behaviors that may need more assessment. If you are interested in completing a FREE screening tool, you can call the Health Department to have a paper copy sent to you. Or you can complete it online: <https://www.asqonline.com/family/072576>

FALL PREVENTION CLASS

The Oak Creek Health Department invites residents 60 and older to participate in a 7-week class, "Stepping On". This evidence-based class helps seniors reduce their risk of falls by improving their strength and balance.

Falls are not an expected part of aging. There are lifestyle changes that you can make to reduce your risk of falling. Class topics include reducing your risk of falling through the use of exercises, home safety, medication review, the importance of regular vision exams, and mobility in the community. Classes start April 6, 2017. The cost is \$25 and includes a 5 lb. adjustable weight, exercise manual, and light snack. Please call to register today.

PUBLIC HEALTH EMERGENCY PLANNING

Did you know that the Oak Creek Health Department is a response agency in certain emergencies similar to the police and fire departments? We plan for emergencies such as disease outbreaks, biological terrorism

attacks, and shelter residents during fires, power outages, and natural disasters.

Throughout the year we plan and practice our response to emergencies, both locally and with regional partners, to ensure we are ready when the time comes.

Even with all of our planning we are still a small department. We need volunteers to step up and help their community in times of need. If you are interested in helping respond to large scale emergencies, call to learn more. Not in the healthcare industry? No problem! There are many areas we need help with that are non-medical.

ENVIRONMENTAL HEALTH AT HOME: MOLD PREVENTION AND REMEDIATION

Molds have existed for millions of years and live almost anywhere, including your home. Indoor mold is usually not a problem. In fact, most homes have some level of mold growth. Molds can cause health problems similar to seasonal allergies. More serious problems result from mycotoxins, which are "toxic substances produced by mold", although only certain molds create mycotoxins. If you

experience negative health symptoms tell your doctor so you can get the correct diagnosis and care.

When mold is found at home, residents often wonder if they are at risk. Unfortunately, it is difficult to know the effect mold has on health. Because experts do not have enough information, indoor mold levels are not currently regulated by the EPA or the CDC, which means there is no "safe or unsafe" level, type, or color of indoor mold. It is hard to know how mold growth occurred. In rental units, tenants should refer to their lease to determine who is responsible for treatment and cleaning. For many reasons, evaluating mold in the home is complicated and requires a specialist, such as an indoor air quality consultant, with mold testing equipment.

The best way to protect yourself from indoor mold growth is to control moisture levels at home. If there is a mold problem, there is probably a water problem. Remember: always dry water-damaged areas within 24 hours, clean up mold and fix the water problem quickly.

You can receive a free mold resource packet at the health department, by mail, or by email. Call for more information or stop in and talk to our Environmental Health Specialist!

COMMUNITY RESOURCES FOR OLDER ADULTS

As our loved ones age their needs change with them. The Department on Aging provides a single point of access to services for people 60 and older. The following is a list of some resources contracted by the Milwaukee County Department on Aging.

FIRE DEPARTMENT

TOM ROSANDICH, FIRE CHIEF

SHOVEL YOUR FIRE HYDRANTS

The winter months bring a special concern to the Oak Creek Fire Department. Winter storms can often hide fire hydrants under a mountain of snow making them impossible to find quickly. In the event of a fire, firefighters have to locate and shovel out fire hydrants before hooking up to them. Precious time is lost. Please don't let your neighborhood hydrant remain "undercover".

We are asking that you help us by keeping the fire hydrant closest to your residence or business clear of snow. We need a 3 foot clearance on all sides. When shoveling snow be aware of vehicle traffic. Do not stand in the street and be careful not to slip and fall out into the roadway.

DIAL 911

It may seem like a simple task, but in the event of an emergency, dial 911 to reach fire, rescue and emergency medical services. Time is of the utmost importance in the event of an emergency and every second counts. For example, fires double in size every minute. Fires that start out small can easily grow to engulf entire buildings. Serious medical conditions like a heart attack, stroke, or traumatic injury require immediate attention by medical personnel. The Oak Creek Fire Department provides not only fire suppression, but also Paramedic level emergency medical care. With three stations strategically located throughout the city, the Fire Department is only minutes away.

CANDLE SAFETY

According to statistics compiled by the National Fire Protection Association (NFPA), more than 15,000 house fires are started by candles each year. These fires accounted for an annual average of 166 civilian deaths, 1,289 civilian injuries and over 450 million dollars in property damage. December was the peak month for fires started by candles.

The top days for these fires are December 23, Christmas Eve, Christmas Day, and New Year's Day. Please remember the following tips for the safe use on candles in your home.

- Blow out candles when you leave a room
- Never place candles within 12 inches of anything that can burn
- Place candle holders on a sturdy, firm surface
- Only use candle holders that are sturdy, and won't tip over easily

CARBON MONOXIDE SAFETY

Carbon monoxide, an odorless, colorless gas, is a byproduct of the combustion of fossil fuels. When appliances such as furnaces, water heaters, dryers and stoves malfunction or are improperly vented, a buildup of carbon monoxide gas can occur. As this gas builds up in a home, occupants may experience headaches, nausea, dizziness, fatigue and confusion. At higher levels, carbon monoxide poisoning symptoms include vomiting, loss of consciousness, and even death. As the winter months draw upon us, the Oak Creek Fire Department would like to remind residents that carbon monoxide detectors should be placed on each level of their home. In addition, they should have appliances inspected by a licensed professional.

SENIOR FALL SAFETY

According to the Center for Disease Control, in 2014, 27,000 people 65 and older died from injuries related to unintentional falls; about 2.8 million people 65 and older were treated in emergency departments for nonfatal injuries from falls, and more than 800,000 of these patients were hospitalized. Most of these falls can be prevented by following a few simple safety steps.

- Exercise regularly to increase strength and improve balance
- Have your eyes checked once a year
- Ask your doctor to review medications to reduce side effects and interactions
- Improve lighting in the home
- Remove hazards such as rugs that could lead to falls

- Install handrails in bathrooms
- **Sign up for the Fall Prevention Class sponsored by the Oak Creek Health Department on Page 4.**

SPACE HEATER SAFETY

As the weather turns colder, a space heater often becomes a way to bring a little extra heat into a room. The National Fire Protection Association (NFPA) recommends the following safety tips:

- Purchase a heater that is listed by a qualified testing laboratory.
- Keep the heater at least 3 feet away from anything that can burn, including people.
- Choose a heater with a thermostat and overheat protection.
- Place the heater on a solid, flat surface.
- Make sure your heater has an auto shut-off to turn the heater off if it tips over.
- Keep space heaters out of the way of foot traffic. Never block an exit.
- Keep children away from the space heater.
- Plug the heater directly into the wall outlet. Never use an extension cord.
- Space heaters should be turned off and unplugged when you leave the room or go to bed.

HOW DOES WINTER SALTING AFFECT HUMAN & PET HEALTH?

While clearing snow and ice is required by the city municipal code (Section 6.24), please keep in mind the impacts of salt on the environment, human health and the well-being of your pets. While salt does help melt ice in certain conditions — it also harms plants and animals, pollutes our water, damages buildings and corrodes vehicles, roads and bridges. Once you put salt down, it doesn't go away. Instead, it travels and dissolves into our lakes and streams, putting our aquatic life at risk and endangering our freshwater resources. Salt also alters the composition of soil, slows plant growth and weakens the concrete, brick and stone that make up your home and garage. Using the right amount of salt maximizes safety.

HOW DOES WINTER SALTING AFFECT PETS?

The two most important concerns for pet owners regarding salt are ingestion and paw health. Ingestion of salt by eating it directly, licking salty paws, and by drinking snow melt and runoff can potentially produce effects such as drooling, vomiting, diarrhea, loss of appetite, vocalizing, crying, excessive thirst, depression, weakness, low blood pressure, disorientation, decreased muscle function and in

severe cases, cardiac abnormalities, seizure, coma, and even death. If your pet ingests a snow melt product, make note of the ingredients and contact your veterinarian right away if you notice symptoms. Exposure of your pet's paws to salt can produce painful irritations, inflammation, and cracking of the feet pads that can be prone to infection and are slow to heal. If an animal has walked through the product, rolled in it, or placed its face in a bag of ice melt, bathe the animal and monitor it for skin irritation and any of the above symptoms.

Sodium in drinking water is a health concern for individuals restricted to low-sodium diets due to hypertension (high blood pressure). Surface and ground water monitoring in Wisconsin continue to show increasing trends in chloride and sodium levels, although the levels are not yet a human health hazard. Limiting the amount of salt you spread on your own property can help keep our local waters well within the safe range for sodium concentration.

Alternatives to traditional salt can be safer for our overall health. Try using ashes, sawdust or sand, especially in temperatures below 15°F, when salt becomes ineffective. Educate yourself on available products and spread them at the application rates in the temperature range recommended on the label. It is important to strike a balance between safely clearing snow and salt from your property and reducing impacts to the environment, human health, and pet health. Please consider alternatives to salt whenever possible this winter.

The fee for delivery is \$25 per load which is approximately 5 yards.

FOLLOWING OF SNOWPLOWS

WI Statute Chapter 346.915 prohibits a person operating a vehicle from following an official snowplow, equipped & engaged in snow & ice control/removal, closer than 75 feet when on any highway having a posted speed limit of 35 miles per hour or less. Highways with posted speeds of more than 35 miles per hour require a minimum of 200 feet following distance. It also requires a person operating a vehicle to stop not less than 20 feet from a snowplow at an intersection & to remain stopped until the snowplow resumes motion.

SNOW AND ICE REMOVAL

The blowing and/or shoveling of snow onto City streets is a violation of the City of Oak Creek Municipal Code (Section 6.24(c) and is subject to a ticket and fine. For details, go to: www.oakcreekwi.org/snowremoval

The City may remove any snow and ice deposited and charge the costs of removal to the owner or occupant of the property from which snow or ice was removed and illegally deposited (Section 66.60(16), Wis. Stats.)

Property owners are also required to keep clear their mailboxes and fire hydrants on their property per Section 6.24(d) as follows: "Hydrants and Mailboxes. Every property owner or occupant shall keep all fire hydrants and mailboxes abutting his/her property free and clear of all snow and ice."

POLICY FOR DAMAGE TO PROPERTY WITHIN STREET RIGHT-OF-WAY CAUSED BY SNOW REMOVAL

In kind replacement of post &/or mailbox, or a reasonable alternative may be reimbursed. Maximum payment to claimant will be \$100 per event. No labor

costs will be paid. Damage to gang mailboxes must be made by each property owner to receive reimbursement. Maximum payment will again be \$100 per event, per owner but will only include one post reimbursement. Claimant shall bring damaged parts &

paid receipt for replacement parts to the Street Department at 800 W. Puetz Road. Date & approximate time of damage needs to be reported. Damage to other appurtenances installed within the City right-of-way (i.e. walls, planters, sprinkler heads, etc.) will not be considered for cost of replacement. Grass damaged within curb area will be replaced by the Street Department in spring. Temporary mailboxes on a stand are available for any post & box destroyed during plowing. They must be returned after permanent mailbox is installed or by May 1, whichever comes first. Only a limited number of temporary boxes are available. It is the homeowner's responsibility to pick up & return temporary mailboxes to the Street Department.

GARBAGE & RECYCLING CART INFORMATION

- * Household combined garbage not placed in a container provided by the City of Oak Creek or its contractor, will not be collected.
- * Containers shall be stored upon private property & shall not be stored in the front yard setback.
- * Garbage shall be placed for collection no later than 6:45 a.m. of the morning of collection.
- * No carts shall be placed at the curb any earlier than 6:45 p.m. on the day prior to the scheduled collection day.
- * Resident shall restore containers to their original storage location after collection on the same day as the collection.

FAIR HOUSING RIGHTS

Do you suspect you were denied the opportunity to rent an apartment, buy a home, get a home loan, or buy homeowners insurance because of one of the characteristics listed above? Federal and state fair housing laws make it illegal to discriminate in housing based on the following protected classes:

Race – A person's race or the race of persons with whom one associates.

Color – A person's skin color.

Sex – A person's sex, including sexual harassment or intimidation.

National Origin/Ancestry – The country of one's birth and/or the nationality of one's ancestors.

Religion – A person's religious beliefs or denominational affiliation.

Disability/Handicap – A physical or mental impairment that substantially limits one or more major life activities.

Family/Familial Status – Household composition, including the presence of children.

Age – Persons 18 years of age and older.

Marital Status – Married, single, divorced, widowed or separated.

Lawful Source of Income – A person's legal means of income, including such subsidized forms as Social Security, Food Stamps, Unemployment Compensation, etc.

Sexual Orientation – Heterosexuality, homosexuality and bisexuality.

Employment Opportunity

The City of Oak Creek is always looking for helpful, friendly faces to work in various positions. Did you know that you can complete a Job Interest Card and receive notification when we are accepting applications for a job that interests you?

- * Simply visit our website <http://www.oakcreekwi.org/jobs>
- * Click the Job Interest Cards link on the very bottom of the page
- * Select the categories that interest you, provide your contact information, and Submit Request.

For 12 months after you submit the form, you will receive an email notification each time a position opens with City of Oak Creek whose category matches one of the categories you've chosen. We'll also send you a reminder email in 11 months to give you an opportunity at that time to extend your notifications for another year.

Domestic Abuse, Sexual Assault and Stalking Victims – Persons who have been or are victims of domestic abuse, sexual assault or stalking.

Local Ordinances

City and county fair housing ordinances may include additional protected classes. For instance, some cities have protected classes not included in state and federal fair housing laws.

MICHAEL BOLENDER, CAPTAIN

WINTER PARKING RESTRICTIONS

Winter parking restrictions are in effect from December 1st until April 1st. During this time, there is no parking allowed on the streets in the City of Oak Creek during the following hours:

Monday thru Friday: 2 a.m. to 6 a.m.
Saturday & Sunday: 2:30 a.m. to 6 a.m.

Permission may be granted by the Police Department (on a day-to-day basis) for exceptions on the restriction during emergencies, if a vehicle becomes disabled, or if there is an overnight guest. For permission, use the **non-emergency number: (414) 762-8200**

UTILITY PROBLEMS

During severe weather, the Police Department receives an abundance of telephone calls from residents wishing to report utility problems. These problems should be reported directly to the respective utility company at their 24-hour phone numbers. *See phone directory on back cover of this Acorn.*

CHRISTMAS BURGLARIES

No matter where you live, you will probably hear a news report where some family had all of their presents stolen prior to Christmas. Property crime

makes up slightly more than three-quarters of all crime in the United States. Based on the current economic times or the times in general, these types of horrible events will continue to occur but more frequently.

PRESENTS BY THE TREE: Some residents love to display their Christmas tree near an open window or glass

door. If that is your practice, wait until closer to Christmas to put presents out around the tree. Everyone can window shop as they walk or drive by and a bunch of boxes wrapped or unwrapped will cause even a little bit of curiosity.

DOORS & WINDOWS: Check all of your entryways (windows and doors) into your home. 60% of break-ins happen during the day. Secure those sliding glass doors with a lock and a dowel in the door track. Trim back your bushes and trees; make it difficult for anyone to hide in your bushes and shrubs. DO NOT store that spare key in the potted plant next to the front door or under that nice doormat that says, “Welcome come take everything that I own.”

TRAVEL: Many people leave town for the holidays. They also typically leave some presents behind. Purchase some timers for your external and internal lights. You can really confuse them by offsetting the internal lights to come on and off at certain times. If your TV has this feature, you could have it come on with the volume turned up to a moderate level then turn off later.

The *US Postal Service* will hold your mail if you ask them to. You can arrange it online and is very easy to set the start and stop time for the mail. If you receive the newspaper, make sure you ask them to hold it.

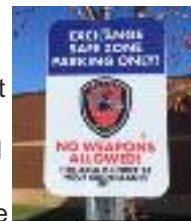

Remember that the Oak Creek Police Department offers a **VACATION WATCH**. Call 762-8200 x0 and speak with Dispatch. They will take your emergency info and “flag” your residence in our computer system for patrolling officers. We will also send out police aides to check on your home if you are gone

for an extended length of time.

THE HOLIDAY IS OVER: Once the holidays are over and you begin to take that 4k Ultra HD TV box to the end of the drive along with the new Xbox One, Laptop, and iPad boxes, remember they are signs to everyone saying this is what is in my house! Come and get it! Break down your boxes so they fit in the disposal container with the lid down or take them to the city refuse center.

SAFE EXCHANGE ZONE

The Police Department has 2 parking spots in their parking lot posted as a Safe Exchange Zone for citizens to use when meeting somebody to complete an exchange of any kind—whether it involves a purchase of some sort, a property exchange, or a difficult family situation.

WOMEN'S BASIC DANGER AND SELF DEFENSE CLASS

Saturday, March 18, 2017
 9 am to 3 pm
 Oak Creek Police Department
 301 W. Ryan Road

The Oak Creek Police Department will be sponsoring a **FREE** course on Women’s Basic Danger Awareness and Self Defense. The course is offered to women, 17 yrs. of age or older, who reside in the City of Oak Creek or are employees of businesses in Oak Creek. The goal of this course is to present information that will help reduce the risk of an assault and show participants how to survive a deadly encounter. Graduating students gain knowledge and confidence for campus life or living on their own.

Registration forms are available at the front window of the Police Department or on the City of Oak Creek Website – www.oakcreekwi.org

For more information, contact:
 Oak Creek Police Department
 Community Resource Bureau:

The Assessor's Office will conduct a revaluation for 2017. Revaluations were also performed in 2014 through 2016. As opposed to performing revaluations once every three to four years, these annual revaluations ensure assessed values are based on current market conditions which leads to more equitable assessments for property owners.

As in previous years, property owners that were approved for a building permit for remodeling, new construction, additions, wood decks, detached buildings and other similar type permits should expect a visit from a member of the assessment staff to update assessment records. For permits relating to interior remodeling, basement finish, additions and new construction, an interior inspection will be attempted. Properties that sold during 2016 may also receive a request for an interior inspection. The owners of these properties that sold may also receive a letter from the Assessor's Office asking them to answer a questionnaire relating to the details of the sale of the property; such as, was the property listed on the open market? These properties are referred to as comparable sales and are used to establish the assessed value of other properties that have not sold. Verifying sales information with property owners is an important part of the assessment process.

All assessment staff will be carrying official City of Oak Creek Identification Cards and their vehicles are registered with the Police Department.

In addition to the fieldwork and sales verification of certain properties mentioned above, owners of commercial real estate will be mailed and asked to

complete an Income and Expense Form. This information is for confidential use by the Assessor's Office by State Statute and City Ordinance. The information gathered on these forms is used to help establish equitable assessments for commercial properties based on the current market conditions relating to commercial leases. The form does not request personal or business income, only the income information relating to the lease or potential lease of the property. These forms will be mailed between December 2016 and January 2017 and will include a requested return date.

Business owners that may or may not own the real estate where they conduct business will also be mailed and asked to complete a **Statement of Personal Property**. Per State Statute, business owners are required to complete this form and return it to the Assessor's Office annually. These forms will be mailed to business owners between December 2016 and January 2017 and there is a statutory due date of March 1, 2017 (by March 1 annually).

Property owners will be mailed a **2017 Notice of Assessment** in April 2017. That Notice of Assessment will include the 2017 assessed value and will include instructions on how to contact the Assessor's Office during the Open Book period in order to schedule a meeting if they are in disagreement with the value.

If you have questions concerning the assessment process, contact the Assessor's Office Monday through Friday, 7:30 a.m. to 4:00 p.m. at (414) 766-7069.

FINE PRINT: THINGS YOU SHOULD KNOW

IS SHE/HE OLD ENOUGH?

Age requirements are as of the date of the first class, unless otherwise specified and are designed to provide the best and safest environment for the children. Please do not request to have your child put in a class he/she does not meet the age requirement for.

HOW MUCH IS IT?

Fees and charges are assessed based on the cost of the program. The Department does not want to exclude children of families experiencing financial hardship. Resident families needing financial assistance should contact the office at 766-7920.

NEED TO TRANSFER?

Transfers will be made at no charge.

NEED A REFUND?

Refunds will be made upon request until 1/3 of the scheduled classes have been held, except as noted. Refunds are issued based on your original payment method. **A \$3 service fee** will be charged on each refund. Avoid the service fee by requesting credit to your account in place of a refund.

CAN I WATCH? OPEN HOUSE

You are welcome to discuss your child's progress before or after each class and attend the open house held on the final class date. Only registered participants are permitted in classrooms during instruction. This avoids distractions and interruptions in instruction, and allows adults to participate in an adult-only atmosphere.

MAKEUPS? MISSED A CLASS?

Classes missed due to absence are not "made up" nor may participants attend classes other than the one they are registered for.

Activities cancelled by the Department will be rescheduled, if possible. If a class is unable to be rescheduled, no refunds will be issued.

HAVE A CONCERN?

If a class does not meet your expectations, please contact the Oak Creek Recreation Department at 766-7920 or email rec@oakcreekwi.org to discuss your concerns.

AM I A RESIDENT?

The resident fee applies to any person whose primary residence is within the Oak Creek city limits at the time of registration and children in the Oak Creek-Franklin School District. For proof of residency information, please see [Page 42](#).

PROOF OF DATE OF BIRTH

Proof of date of birth for all children is required at their first registration

WHERE DO I PARK? ENTER? SEE PG. 14-15

EAST MIDDLE SCHOOL: 9330 S. Shepard Avenue, use Entrance #7

ST. JOHN'S SCHOOL: 2525 W. Oakwood Road. Please enter using the driveway located behind the church, between the church and cemetery.

OAK CREEK LIBRARY/CIVIC CENTER: 8040 S. 6th Street. Parking in the south lot, use main entrance.

WHAT IF?

MY CHILD WANTS TO BE ON THE SAME TEAM OR IN A CLASS WITH A FRIEND OR SIBLING.

- ◆ Siblings who meet the requirements for the same class section, or sports league will be placed together unless otherwise requested in writing by the parent or guardian.
- ◆ For all other requests please complete the carpool form on Pg. 43 or complete during online registration by clicking on "add a note or info for staff" before proceeding to the shopping cart.

I WANT TO REGISTER WITH MY ADULT FRIEND:

- ◆ If one person is placed on the wait list, the entire group will be placed on the wait list
- ◆ If one person is a non-resident, the entire group will be processed during non-resident registration (if space is available)
