## MAYOR’S DESK

**Dick Bolender**

Dear City of Oak Creek Residents,

Well... we have had more than enough snow this year! Street Department road crews were out on several consecutive weekends to keep our roads clear. I want to thank everyone for shoveling out sidewalks and fire hydrants. It got very tiring to keep the hydrant in front of our home free of snow. This year we even had to pull out the “V-plow” that had not been used for several years. Most people who have lived here for years have never seen this piece of equipment in use.

Meetings for the lakefront redevelopment have been well attended and offered many positive ideas. We want this development to come from the ideas of all the residents, not from a select few. The lakefront will always be open to the public from end to end. We all must have access to beautiful Lake Michigan. Action on this development will begin in 2012, not in the distant future. The time is now to take advantage

of this project; failure is not an option!

The Delphi property is now cleared and ready for development. There is tremendous potential for this site to become the center of activity in Oak Creek. I would like to see the city hall and library at the Delphi site. As I have said before, we could be the anchor structure of all of the remaining development that would be located on this site. This structure could be a self-supporting building so that the cost is not on the back of the taxpayers. We must find new and creative ways to finance city structures in this “ever-changing” economic climate. Many businesses in and out of the state of Wisconsin are showing interest in the Delphi site for future development. I am always looking for businesses with family-supporting jobs to locate in our city. We must use the city’s resources to attract new opportunities for Oak Creek.

The 794 extension is a possibility through both Oak Creek and Caledonia. The good news is that the old North Shore Line is the proposed route and should not disturb residential properties in Oak Creek. This is off in the future, but the planning must begin now.

I hope to see everyone at the summer activities in Oak Creek...the 4th of July, the summer concerts in the park and the Pig Roast in Miller Park. More and more people will be out and about as the weather improves. Motorcycles and bicycles will become more evident as gas prices continue to rise. Be alert! Be safe!

We may not be thinking of the men and women serving our Country around the world all the time, but please keep them in your thoughts and prayers whenever you can.

Remember: "It's amazing how much can be accomplished when no one cares who gets the credit!"

**Dick**

## LAKEFRONT DEVELOPMENT

### Lakefront Cap and Fill

City of Oak Creek Mayor Dick Bolender is celebrating the delivery of clean fill being brought from the WisDot Mitchell Interchange Project to the DuPont lakefront site located off 5th Avenue north of Ryan Road.

Mayor Bolender makes note of the significance of having up to 800,000 cubic yards of clean soil fill trucked to several

City lakefront sites over the next 12-15 months. The fill will be used to facilitate the appropriate remediation of the lakefront sites, thus allowing for a coordinated reuse plan between the property owners, DNR, and City of Oak Creek to bring the properties back into productive use and provide access to the lakeshore for the public.

In commenting upon this important milestone event Mayor Bolender stated, "Opening up our Oak Creek lakeshore to public use and other appropriate residential and business uses through a process involving significant public input has long been a dream of the community. The clean fill material now being brought to this site is helping to make that dream a reality. A coordinated effort on the part of the property owners, DNR, WisDOT, City of Oak Creek, and our consultants has brought about a triple win benefiting State of Wisconsin taxpayers, helping meet DNR standards for appropriate clean up, and allowing the current property owners help meet their environmental obligations."

City Clerk Pam Bauer noted, "The City has worked with the contractor who will be performing the haul work to minimize impacts to City residents as well to monitor and have repaired wear and tear to City streets. The City web site contains contact information for both police and engineering department complaints which might arise. For more information contact: Acting City Engineer Mike Simmons at (414) 768-5859.

## CITY ADMINISTRATOR

Gerald Peterson

In Oak Creek, as it is throughout the State of Wisconsin, these are times of great opportunity and significant challenge. Based upon one's perception of the world, we each need to find a perspective which shapes our views in this balancing test. To be sure, the future will likely evolve in ways currently unseen, which will make us stronger. One only needs to look at the great challenges facing Japan. Does anyone think that the Japanese people won't come out of their challenges stronger than they were before their multiple disasters?

A similar sense of hope can help guide discussions in this community as we look toward future development, in particular at our lakefront and at the former Delphi site. Our answers to what we believe can and should be done with those opportunities will go a long way in determining what actually will be done and will have a lasting impact on this community for years to come.

During these times of opportunity and challenge, we would all be well served to be respectful of one another in the views and opinions we hold and in the public debates that lie ahead. The enemy you see today may be the person you are able to praise tomorrow for helping meet your needs and realize your aspirations.

It is my hope to help orchestrate work with elected officials while engaging the public and City employees as our community transitions into the future. Democracy, as some observers readily note, is a participatory sport. My efforts will be to reach out to all members of the community, to think through, search for, and implement appropriate strategies to successfully guide the city into the type of future our community seeks. Each of us has a part to play, and it can be based upon a view of a dark future filled with villains at every turn, or a bright future that is that way because we want it so and are willing to make it so.

**HEALTH DEPARTMENT****Phone: 768-6525****Judith Price, Public Health Administrator****Sue Wojcinski, Public Health Nurse Supervisor****SUMMERTIME FOOD SAFETY**

Summer is the time for picnics and grilling. To help prevent food poisoning follow four safety tips. **Clean:** Always put cooked meat on a clean platter, rather than back on the one that held the raw meat, to avoid cross-contamination. Always wash your hands after handling raw foods of animal origin. **Separate:** Always keep cold foods cold and hot foods hot. When you're finished eating, refrigerate leftovers promptly. Don't let food sit out for more than two hours. On a hot day (90°F or higher), reduce this time to one hour. **Cook:** When grilling, always use a meat thermometer to ensure that meats reach the minimum internal cooking temperature. **Chill:** Be sure to put perishable items in a cooler or insulated bag. For other food safety information, see [www.FoodSafety.gov](http://www.FoodSafety.gov).

**WATER QUALITY AT GREAT LAKES BEACHES**

Visit [www.wibeaches.us](http://www.wibeaches.us) for the water quality reports for public beaches along Lake Michigan and Lake Superior.

**SWIM**

Each year, millions of people enjoy recreational water activities. The benefits of water-based exercise are numerous. To protect your family, always supervise young children around water. (Tip: stay close enough to reach a child at all times and avoid distractions such as playing cards, reading a book, or talking on the phone.) Drownings happen quickly, and usually silently. Avoid alcohol while supervising children and before or during swimming, boating, or waterskiing. Prevent water-related injuries and drowning by swimming with a buddy and swimming where there's a lifeguard. And always use life jackets and secure personal flotation devices—do not substitute air-filled or foam toys for safety gear. Enroll your child in swimming lessons through the Parks and Recreation Department. **Swim lessons begin on page 24.**

**OUTDOOR GARDENING TIPS**

Stay safe as you grab your tools for this summer activity. Wear gloves, use safety gear when handling equipment and chemicals, protect yourself from the sun, and use insect repellent. And when was your last tetanus shot? The Health Department is offering both the Td and Tdap immunization.

**ANIMAL SAFETY**

Now that the warm weather is upon us, people may have more contact with animals. If you or someone you know is bitten by a dog, cat or wild animal, contact the Police Department. It is extremely important to immediately wash the wound well with large amounts of soap and water for 15 minutes, know when your last tetanus shot was and seek medical attention if necessary.

**LYME DISEASE PREVENTION**

As summer nears, health experts recommend the use of insect repellents to help prevent mosquito and tick bites and the diseases that these bites could transmit. Lyme disease is a bacterial infection transmitted by the bite of a deer tick which is found on all types of vegetation and animals especially in the woods. It's most active in the spring and fall. The insect is orange and brown with a dark spot near its head and should not be confused with a wood tick (which is approximately twice as large and brownish).

To prevent deer tick bites, wear long sleeves and pants, spray on an insect repellent containing DEET as the active ingredient, and brush off clothing before going inside. If a tick is found on you, remove it with tweezers by grasping the tick's head as close to the body as possible and dispose of it. Wash and apply antiseptic to the bite area. Symptoms of exposure may mimic arthritis and include fever, chills, stiffness in joints, weakness and fatigue. A ring shaped rash may occur within four to twenty days after being bitten. Contact your health care provider if you experienced a deer tick bite.

**RADON KITS**

Free radon kits are available at the Health Department for residents.

**IS YOUR CHILD ON TRACK DEVELOPMENTALLY FOR THEIR AGE?**

The Health Department has a new and easy questionnaire that is available for children beginning at 2 months of age. Los Ages & Stages Questionnaires® está disponible en español.

**MAKE A PLAN. BUILD A KIT. BE INFORMED**

Follow the Health Department's "Twelve Months of Preparedness" program at [www.oakcreekwi.org/health/index.htm](http://www.oakcreekwi.org/health/index.htm) This planning tool provides monthly activities to develop a communication plan and prepare supplies if a disaster or emergency occurs. By working together and taking action now to prepare, our community will be in better position to respond and recover from a disaster. Materials are also available at the Health Department.

**VOLUNTEERS NEEDED**

The Health Department is looking for volunteers for a drive-thru mass clinic exercise this summer. For further details, go to the website at:

[www.oakcreekwi.org/health/index.htm](http://www.oakcreekwi.org/health/index.htm)

**SCHOOL IMMUNIZATION REQUIREMENTS FOR 2011-2012**

You are encouraged to have your child immunized well in advance of school opening to avoid the late summer rush of appointments with your health care provider or local health department.

**TEXT4BABY**

This is a mobile text message program for pregnant women and new mothers. The information assists women to give your baby the best possible start in life. This was created by the National Healthy Mothers, Healthy Babies coalition. It is free, even if the woman does not have a text message plan with a mobile service provider. Sign up by texting BABY to 511411.

## FIRE DEPARTMENT

**Brian Satula, Fire Chief**

### SAFE GRILLING

There is nothing better than a barbeque on a warm summer night. The Oak Creek Fire Department would like to make sure that residents keep safety in mind when they fire up their grills.

#### Gas Grill Safety Tips

1. Check grill hoses for cracking, brittleness, holes, and leaks. Make sure there are no sharp bends in the hose or tubing.
2. Move gas hoses as far away as possible from hot surfaces and dripping hot grease.
3. Always keep propane gas containers upright.
4. Never store a spare gas container under or near the grill or indoors.
5. Never store or use flammable liquids, like gasoline, near the grill.
6. Never keep a filled container in a hot car or car trunk. Heat will cause the gas pressure to increase, which may open the relief valve and allow gas to escape.

#### Charcoal Grill Safety Tips

1. Never burn charcoal inside of homes, vehicles, tents, or campers.
2. Charcoal should never be used indoors, even if ventilation is provided.
3. Since charcoal produces CO fumes until the charcoal is completely extinguished, do not store the grill indoors with freshly used coals.
4. Allow charcoal and ashes to completely cool prior to disposal

### MEET THE FIRE DEPARTMENT

The Oak Creek Fire Department would like to welcome its two newest members. Dan Rhode and Nick Spatt were sworn in on January 24th.

They were hired to fill positions vacated by recent retirees. Dan comes to Oak Creek from the New Berlin Fire Department. He is a Nationally Registered paramedic, holds an Associate Degree from WCTC, and holds various other certifications. Dan is recently married and looks forward to long career with the Oak Creek Fire Department.

Nick Spatt was a member of the Menomonee Falls Fire Department prior to joining Oak Creek. Nick is also a Nationally Registered paramedic and is in the process of completing his

**Tom Rosandich, Assistant Fire Chief**

### PULL OVER

While driving, please remember to move to the right when approached from behind by an emergency vehicle. This allows for the emergency vehicle to have a clear path of travel to proceed to the emergency scene. In addition, drivers should either move over one lane or slow down when approaching an emergency vehicle that is pulled to the side of road. This is a Wisconsin State law that applies to not only fire and police vehicles, but also highway maintenance vehicles.

### NEW CARBON MONOXIDE DETECTOR LAWS

Starting February 1, 2011, all residential homes are required to have carbon monoxide detectors. See related article on page 18.

### DIABETES AWARENESS

One of the most common diseases among Americans today is diabetes. Diabetes affects more than 21 million Americans. Although genetics are thought to play a role, the exact cause is not fully understood. The early warning signs of diabetes are subtle and are frequently mistaken for other diseases or illnesses. These signs include increased fatigue, excessive hunger or thirst, blurry vision, and frequent urination. Unfortunately, there is no cure for diabetes. However, the disease can be managed with proper diet and insulin regimen.

Diabetic emergencies are commonly seen by the Oak Creek Fire Department. Symptoms of diabetic emergencies include sweating, dizziness, weakness, confusion, and a potential loss of consciousness. Any diabetic experiencing any of these symptoms should immediately dial 911. Diabetic emergencies can be life threatening if left untreated.

Associates Degree in Fire Science. Nick attended Wisconsin Lutheran High School where he was a member of back to back State Championship football teams. Both of Nick's parents are Milwaukee firefighters. Congratulations guys and welcome aboard!

### CARELESS SMOKING

According to the National Fire Protection Association (NFPA), from 2003-2007, 25% of civilian fire deaths were attributed to careless use of smoking materials. Most of these fires when cigarettes are dropped onto furniture, bedding or into garbage cans. Please take these precautions in mind if you smoke in your home:

- Do not smoke in bed or when you are tired. Cigarettes that are dropped between couch cushions can smolder for hours before starting the furniture on fire.
- Soak cigarette butts in water before disposing of them.
- Keep matches and lighters out of the reach of children.
- Pay close attention to someone who is consuming alcohol while smoking. Their judgment could become impaired and lead to improper disposal of cigarettes.

### ASK THE FIRE DEPARTMENT

**I've read in the OakCreekNow that patients who are involved in car accidents are sometimes transported to Froedert Hospital in Wauwatosa. Aren't there closer hospitals?**

Yes. There are closer hospitals. However, Froedert is a Level One Trauma Center. When patients meet certain guidelines, they must be transported to a Trauma Center for definitive care and treatment.

### How does the Fire Department find my house when I call 911?

When the Fire Department is dispatched to an emergency call, the Dispatchers provide a "Grid" to the responding units. This allows for the city map to be broken down into smaller sections. Each smaller "Grid" is then broken down into even smaller areas called "Quads". Firefighters are then able to get the exact location of the residence as well as the location of nearby fire hydrants. Citizens can further assist the Fire Department by turning on exterior lights or having someone stand in the driveway to signal responding units to the exact location of the emergency. i.e. backyard, basement, etc.

## POLICE DEPARTMENT

**John Edwards, Police Chief**

**Michael Bolender, Captain**

**Steve Anderson, Captain**

### 2011 NATIONAL NIGHT OUT

The Oak Creek Police Department, along with the Oak Creek National Night Out Committee, will be sponsoring the 2011 National Night Out event on August 2, 2011, from 6-9 p.m. at the Oak Creek Community Center. This free and family-friendly event helps strengthen neighborhood spirit and police/community partnerships and sends a message that Oak Creek neighborhoods are organized and fighting back against crime! This year's event will include crime prevention and safety messages from local and state agencies; Oak Creek Police Dept. driving skills course, roll-over simulator, ERU tactical vehicle, and K-9 Unit; Oak Creek Fire Dept. equipment and Survive Alive house; inexpensive food and drink; and the traditional neighborhood "Take Back The Night" flashlight walk to the Oak Creek High School followed by a Bartolotta fireworks display. Bring your family and friends, meet your neighbors, and enjoy a safe and enjoyable night of information, food and fun. For more information, contact the Oak Creek Police Department's Community Resource Bureau at (414) 766-7624.

### WARM WEATHER REMINDERS

• With the warm weather comes more activities outside. There are more car windows down and gatherings at residences. Please be courteous of your neighbors with regard to loud noise and music levels. The Oak Creek Police Department responds to complaints at all times of the day, but the main hours of enforcement for loud noise/music (per City Ordinance) is between the hours of 10 p.m. and 8 a.m. The Noise Ordinance also designates that lawn care equipment cannot be operated between the hours of 10 p.m. and 7 a.m.

• Rummage sale, garage sale, advertising or other such signs cannot be placed on streets, sidewalks or other public right-of-ways, nor can they be attached to public utility poles. Illegally posted signs will be removed by police personnel.

• City Ordinance prohibits the sale, possession or use of illegal fireworks, except paper caps, snakes and sparklers. However, keep in mind that sparklers can get as hot as 1,200 degrees and can cause serious injury to young hands and eyes.

### FINE PAYMENTS & OPEN RECORDS REQUESTS

Fine payments and open records requests can be made during normal business hours—Monday through Friday from 8 a.m. to 5 p.m. A 24-hour drop box is available in the station lobby for payments after hours. For more information, please contact the following:

- (414) 766-7658 – Open Records Requests
- (414) 766-7621 – Municipal Court Info.

### SUMMERTIME HOME SECURITY

The Oak Creek Police Department would like to remind homeowners of a few simple tips to protect your home during this ever-popular "vacation" time of year:

- Residents can request a "vacation watch" of their home by the Oak Creek Police Department. Prior to leaving for vacation, contact the Department at 762-8200 (press "0" for Dispatch) and provide the dispatcher with information (i.e., your departure/return date, whether lights will be left on and when, if vehicles will be left in the driveway, any designated keyholders, etc.). Our Police Aides will conduct periodic checks of your home while you are gone.
- Do not allow daily deliveries of mail, newspapers, or flyers to build up while you are away. Arrange for a friend or neighbor to pick up these items or stop your mail at the post office.
- Arrange for your lawn to be mowed if you are going away for an extended period of time.
- Never leave keys under doormats, flowerpots, mailboxes or other "secret" hiding places. Burglars know where to look for hidden keys.
- Keep a detailed inventory of your valuables, including a description of the items, date of purchase, original value, and serial numbers, and keep a copy in a safe place

away from home. Etch personal identification codes on your valuables with an engraving tool. You can also make a photographic or video record of items in your home.

- Be a good neighbor. Get to know your neighbors and watch out for each other. If you notice anything suspicious, call 9-1-1 immediately and report it to the police.

### CONCERNED PARENTS PROGRAM

Did you know that you are responsible and can be held civilly liable for any underage person that is at your residence consuming alcoholic beverages or illegal drugs—even if you are on vacation and unaware of the party? Police officers are concerned for the safety of all of our residents, and it is often better to confront an underage drinking party before something of a serious nature occurs, such as a car accident.

With the Concerned Parents Program, residents fill out a consent form and leave a key to their residence with the Police Department which will be held until their return. The signed consent form gives officers permission to enter their home during their absence, upon receipt of a complaint from a citizen or neighbor, in order to investigate suspected illegal activity such as underage drinking or drug use. An underage person cannot deny police officers' entry into your residence once you have given this consent. To register for this program, stop at the Oak Creek Police Department during normal business hours.

### CHARLIE CHECK FIRST

Most crimes against children are committed by someone the child knows! Children are not always able to accurately discern a safe person or a safe situation. Charlie Check First safety talks offer information in a simple format that parents and educators can build on daily. Charlie's simple rule is "CHECK FIRST" before you go anywhere with anyone. To request a Charlie Check First safety presentation for your classroom, civic or scouting group (Grades 4K-6), contact the Police Department's Community Resource Bureau at (414) 766-7624.

**CONSTRUCTION AND  
EROSION CONTROL**

With the warmer weather, more construction will be occurring. During construction, contractors and builders are required to meet certain requirements to keep dirt from leaving the site. One of the main tools used for this is silt fence. Silt fence is usually made of black fabric, about two feet tall, and installed around the downhill perimeter of a site. The silt fence is intended to keep soil from washing away off the site. Periodically, the contractor has to maintain or replace the silt fence to keep it functioning optimally.

In addition to silt fence, other methods may be required to keep construction vehicles from tracking mud and soil onto the public roads. One of these methods is to use a stone track pad, which is an area of large open stone that the trucks must drive over before leaving the site. The large open stone is intended to knock mud and dirt off the tires and collect it in the spaces between the stones. Periodically, the track pad must be replaced or otherwise maintained to keep it functioning optimally. In some cases, contractors may also use private street sweeping equipment to clean up mud from a road.

In all cases, once construction is complete, grass must be re-established on site to stabilize the ground and prevent future erosion. On flat areas, seed and mulch such as straw may be used. On steeper slopes, grass seed can be spread and covered with erosion mat. The erosion mat is then staked into the ground to keep it in place on the slope and hold the seed in place until the grass grows up through the mat, and develops a strong enough root system to hold the grass in place. A good dense grass cover will help keep soil from washing away, and will help the ground dry faster after a rain.

**RECYCLING YARD  
INFORMATION**

Any residence that receives an individual property tax bill and has City pickup of garbage may use the recycling yard. Occupants of condos or trailer parks that have private garbage pickup may use the recycling yard for disposal of yard waste ONLY with the exception of grass clippings, which are not accepted.

The recycling yard will be **closed** on the following holiday dates:

Memorial Day-Monday, May 30, 2011

4th of July-Monday, July 4, 2011

Labor Day-Mon., September 5, 2011

**The recycling yard hours are:**

Monday through Saturday  
8:00 a.m. until 3:00 p.m.

In addition to the regular hours, the yard is open:

**Tuesday evenings ONLY until 8 p.m.**

starting the first Tuesday in April through the last Tuesday in September.

**NO** items may exceed 4' in length except for branches, furniture, appliances & metals.

**NO** contractor vehicles will be allowed in to the yard.

The yard does **NOT** accept shingles, roofing materials, grass, gas, medical or hazardous waste, paints or vehicle salvage.

All freon appliances (refrigerators, freezers, dehumidifiers, air conditioners & water coolers) brought to the recycling yard will be charged a \$15.00 per unit fee.

Tires brought to the recycling yard should be free of rims. A fee of \$2.00 per tire will be charged.

## STREET DEPARTMENT

**570-5682**

**Mike Lampe, Street Superintendent**

**Dave Laehn, Street Supervisor**

### SPRING CLEAN-UP BEGINS MAY 16, 2011

The Street Department will conduct a spring clean up beginning on Monday, May 16, 2011. There is **NO CHARGE** for this pick-up (except for freon appliances ). Items that will be picked up are as follows:

- Yard Waste - **excluding leaves, grass and branches**
- Furniture
- Wood
- Appliances (Freon appliances- refrigerators, freezers, dehumidifiers, air conditioners & water coolers, require a \$15 pre-payment for pick-up).
- Construction Materials - **NOT resulting from a contractor**
- Metal
- Mattresses
- Televisions
- Carpeting/Rugs

Items that **will not** be picked up are as follows:

- Paints
- Batteries
- Hazardous Materials
- Grass Clippings
- Fluorescent Tubes
- Tires
- Leaves
- Branches

Residents are required to have their items at the curb or roadside by 6:45 a.m. on Monday, May 16<sup>th</sup> in order to be guaranteed a pick up. Once we pass through your neighborhood, we will not return for additional no charge pick-ups until the fall clean-up on November 15<sup>th</sup>. See Special Pick-Up section for information on how to make arrangements for a prepaid special pick-up for other times of the year or if you should miss the Spring Clean-Up date.

### SPECIAL PICK UPS

In addition to the fall & spring clean-ups that are provided at NO CHARGE, the City of Oak Creek provides special pick-ups for residents for a fee of \$15 for the following items:

- Appliances (A \$15 additional fee will be charged for freon appliances i.e. refrigerators, freezers, dehumidifiers, air conditioners & water coolers)

- Furniture
- Mattresses
- Carpeting/Padding
- Televisions
- Metals of any kind

Special pick-ups are done on Friday mornings **ONLY**. Items for pick up must be at the road by 6:45 a.m. on the scheduled Friday. Residents requesting special pick-ups must prepay the fees due by noon, the Thursday prior, in order to be put on that Friday's pick up schedule.

Please note that special pick ups **will not** be done for the following items:

- Branches
- Yard Waste
- Recyclables
- Tires
- Contractor generated materials
- Hazardous Waste
- Concrete

### BRANCH PICK-UP DATES

Branches **will be picked up** beginning on the following dates:

**June 1st**  
**August 1st**

To guarantee that your branches are picked up, you must have them at the roadside BY the dates listed above, but no earlier than 2 weeks prior. Once we pass through your neighborhood, we will not be back until the next date listed.

Reminder, branches are to be stacked neatly with the cut ends facing the road. Roots should be separate from the brush pile. The Street Department WILL NOT pickup brush that is the result of a contractor doing work on your property. It is their responsibility to dispose of the brush properly.

Branches may also be brought to the recycling yard, any time of the year, at 720 W. Puetz Road.

### MULCH

Generally, from mid-April through mid-November, mulch is often available for free pick-up at the recycling yard. Residents may call the Street Department at 570-5682 to check availability and/or to be put on a list to have mulch delivered to their homes for a fee of **\$10 per load (3-4 yards)**.

### BASKETBALL STANDARDS

There has been an ongoing problem with residents placing basketball standards in the right-of-way (Terrace Area). This area is defined as that area between the curb and the sidewalk, and where no sidewalk exists, that area between the street pavement and the right-of-way/property line.

Section 6.25 Terrace Areas, Section (d) of the Municipal Code states: "No structures or fixtures shall be placed in the terrace area. Examples of prohibited items would be basketball backstops, statuary, flagpoles and other objects. The exception to this subsection is the installation of a mailbox as specified by the United States Postal Service."

### GARBAGE & RECYCLING CART INFORMATION

Per Section 8.41 of the City of Oak Creek Municipal Code, household combined refuse not placed in a container provided by the City of Oak Creek, will not be collected.

If you find your blue refuse cart is always overflowing, you may purchase an additional cart from the Street Department. These carts will become your property. Contact the Street Department at 570-5682 for pricing.

Also contact the Street Department for any repairs or replacements needed for your blue refuse carts.

## FOR YOUR INFORMATION

### COMMUNITY BIKE RODEO

**Sunday, June 5, noon to pm**

The Oak Creek Police Department Community Bike Rodeo will be held on Sunday, June 5, 2011, from noon - 3 p.m. at the American Legion

lower level grounds. Children in Kindergarten through Grade 8 are eligible to participate and may register at the event. Basic skills and bike safety tips will be offered by the Oak Creek Police Department to help prepare youth for a safe summer of biking fun. A bicycle and helmet are required to participate.

**Contact the Oak Creek Police Department's Community Resource Bureau at (414) 766-7624 for more information.**

### FAIR HOUSING IS YOUR RIGHT

Seeking housing is never an easy task. For many Milwaukee County residents, illegal discrimination makes finding & keeping housing much more difficult than it should be. Housing discrimination is common, yet most people remain unaware of its prevalence. Equal housing opportunity – the idea that all people should have equal access to all the housing they can afford – is still an elusive dream for our community.

Fair housing laws make it illegal for housing providers (landlords, real estate agents, apartment managers, etc.) to discriminate based on any of the following categories:

- \* Race
- \* Sex
- \* Color
- \* National origin/Ancestry
- \* Age
- \* Disability
- \* Religion
- \* Family status (household composition, including presence of children)
- \* Sexual orientation
- \* Marital status
- \* Lawful source of income

Housing discrimination appears in many different forms. Sometimes housing providers discriminate overtly by making statements to applicants such as “we only rent to working people,” “no kids allowed,” or “we don’t rent to single moms.”

### Metropolitan Milwaukee Fair Housing Council

In this day and age, however, housing discrimination is often subtle & difficult to detect. Sometimes people leave an interaction with a housing provider not knowing that they were treated differently than other people because of their race, because they have kids or

because they have a disability.

The following are some possible “red flags” that may indicate illegal discrimination:

- \* You called about an apartment for rent. You were told that it has been rented, but you continue to see that apartment advertised in the newspaper or with a “for rent” sign.
- \* You ask to make an appointment to see an apartment, & the landlord tells you that you must bring your entire family along
- \* A landlord or apartment manager gives you confusing or contradictory information.
- \* You are told of extremely long waiting lists.
- \* You are told that you don’t meet a housing provider’s eligibility criteria, but the provider won’t tell you what the eligibility requirements are.
- \* A landlord, rental manager, or real estate agent doesn’t return your phone calls.
- \* Your lease is non-renewed for no apparent reason.
- \* Your landlord refuses to allow you to make modifications to your apartment to make it physically accessible for you.

If you’re concerned that you may have experienced a violation of fair housing law, there are

ways to address the problem. Victims of housing discrimination have the right to pursue complaints in public administrative agencies, such as the Wisconsin Equal Rights Division. People with housing discrimination complaints may also file lawsuits in state or federal court.

If you have any questions regarding housing discrimination, fair housing laws and what your options may be for pursuing a complaint of housing discrimination, call the Metropolitan Milwaukee Fair Housing Council at 278-1240.

The Fair Housing Council offers many helpful services, including:

- \* Counseling for persons alleging housing discrimination
- \* Investigations on behalf of victims of housing discrimination
- \* Assistance in filing fair housing complaints with an administrative agency or in a court of law

In addition, the Fair Housing Council provides educational presentations to neighborhood groups, civic and religious organizations, social service agencies, com-

munity centers and other groups that are interested in learning more about fair housing law and housing discrimination. Please call Felita Daniels Ashley at 414-278-1240 to schedule a presentation for your group.

### BICYCLE LICENSE

The Oak Creek Police Department would like to remind all cyclists to license their bikes. A bicycle license can be obtained from the Police Department during normal business hours at a nominal \$3.50 fee.

The license is non-expiring and will enable the police to locate the owner of lost or stolen bikes which are retrieved or turned in.

## WEED ORDINANCE

### \*\*OFFICIAL NOTICE\*\* CITY OF OAK CREEK

PLEASE TAKE NOTICE THAT:

- (a) In addition to the weeds mentioned to be noxious under s. 66.0407(b), Wisconsin Statutes, the following weeds are also declared to be noxious weeds within the boundaries of the City of Oak Creek: Bull Thistle, Wild Carrot, Sour Dock, Wild Mustard, Chickory, Poison Oak, Poison Ivy, Sow Thistle, Burdock.
- (b) Except as provided in sub. (c), all weeds and grass in platted subdivisions which have buildings on more than 50% of the lots in the subdivision, in multi-family apartments and complexes, planned developments and mobile home districts shall be cut to and maintained at a height not to exceed six (6) inches. All weeds and grass in platted subdivisions which have buildings on 50% or less of the lots or which are not located in platted subdivisions and all weeds and grasses in business and manufacturing zoning districts shall be cut to a height not to exceed one foot (12 inches). The City may cause all weeds, grass and brush to be cut and removed, in accordance with this subsection and the cost thereof shall be charged to the property owner pursuant to Section 66.0627 Wis. Stats.
- (c) The provisions for destruction of noxious weeds and cutting of all weeds and grass as provided above shall not apply to areas which are designated by the Common Council as nature centers or wildlife preserves.

### THE 2011 REVALUATION IS UNDER WAY . . .

The revaluation of all property in the City of Oak Creek is under way. The project is being handled by a team from Tyler Technologies – Appraisal and Tax Division, with oversight by the City Assessor’s Office. Recently, field staff visited properties with building permits that were filed last year to update the assessment file with any changes that were made. In the upcoming weeks, sales from 2009 and 2010 will be researched to establish new values for this year. The values will be complete in July and at that time a Notice of Assessment Change will be generated and sent to property owners.

If you any questions, please contact the Assessor’s Office at (414) 768-6506.

### PET WASTE AND WATER QUALITY

As summer approaches, more people will be out walking their dogs. The City of Oak Creek has an ordinance requiring dog owners to pick up pet waste. In addition to human health concerns, pet waste can contribute to deterioration of the quality of our lakes and streams. When pet waste washes into the water, it breaks down and uses up oxygen. It also contributes nutrients that can make algae grow. Parasites such as Cryptosporidium, Toxocariasis, and Toxoplasmosis can be carried into the waterways from improperly disposed pet waste.

Pet waste may not be the biggest source of water way pollution, but it is one of the many little sources of pollution that can add up to a bigger problem. Properly picking up and disposing of pet waste will benefit the health of our lakes and rivers, by helping to keep them clean.

### CRIME STOPPERS 9-PIN TAP

Sunday, May 15, 2011 at Noon  
Classic Lanes, 7501 S. Howell Avenue, Oak Creek

Oak Creek Crime Stoppers tip line will get a boost and everyone else will have a great time at the 3rd Annual 9-Pin Tap on Sunday, May 15, 2011 at 12:00 noon. The event will be held at Classic Lanes in Oak Creek. A registration fee of \$25 per person includes shoe rental, 3 games of bowling, a pitcher of soda and food. Come by yourself or form a team for an afternoon of fun, raffles, great gifts and the satisfaction of supporting a community crime-fighting service. All proceeds support the Crime Stoppers tip line and “Quick 50” program which is used in the Oak Creek high school and middle schools.

Contact the Police Department Community Resource Bureau at— (414) 766-7624—for more information and to register.

Not a bowler? Oak Creek Crime Stoppers is a non-profit organization. Contributions are tax deductible.

# One- and two-family dwellings need smoke alarms and carbon monoxide alarms

Especially effective February 1, 2011, in Wisconsin

## Smoke Alarms - Save Lives and Property - Carbon Monoxide Alarms

### Smoke alarms - standard safety protection in Wisconsin residences - are now allied with carbon monoxide alarms.

As of February 1, 2011, there are Wisconsin requirements for both smoke alarms and carbon monoxide alarms in almost all one- and two-family dwellings, regardless of the building's age. The new carbon monoxide safety net is for dwellings with fuel burning appliances, fireplaces or attached garages.

#### Owners and Renters Have Responsibilities

Owners are responsible for alarm installations and occupants have responsibility to maintain the alarms. Owners must repair or replace alarms within five days of written notice from an occupant or an inspector. Authorized inspectors may enter dwellings to inspect alarms when requested by owners or occupants.

Tampering with alarms is illegal, dangerous, and can cause serious liability concerns. Freezing can damage carbon monoxide alarms.

#### Where and What Kinds?

Alarms must be installed in the basement, and on each floor level. The alarms need not be installed in attics, garages, or storage areas.

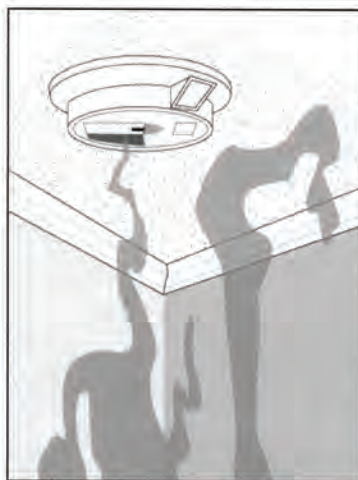

The alarms may be separate or combination units, powered by batteries, or in the case of new construction, tied into the home's electrical system, interconnected with battery backup.

Installation must follow manufacturers' instructions. Those instructions are provided with new alarms and usually can be found on the manufacturers' Web sites. The manufacturer should be identified on the alarm. Alarms used in Wisconsin must be approved by Underwriters Laboratories.

Code language is in Comm 21.09 and 21.097, Uniform Dwelling Code, and Comm 28, Smoke Detectors and Carbon Monoxide Detectors.

<http://legis.wisconsin.gov/rsb/code/comm/comm021.pdf>

<http://legis.wisconsin.gov/rsb/code/comm/comm028.pdf>

#### Save lives and property!

Smoke kills more people in residential fires than the flames. Smoke alarms detect the presence of smoke even before you can see it or smell it, especially when flames might not be in your line of sight. (There are alarms for people with visual or auditory disabilities.)

Carbon monoxide is a gas created by incomplete burning of fuels. Carbon monoxide is colorless, odorless and tasteless, but highly toxic. It can build up over time, with unrecognized symptoms such as headaches, nausea, disorientation, or irritability eventually building to unconsciousness and fatal poisoning. Carbon monoxide alarms warn of the gas before it reaches dangerous levels.

Examples of some carbon monoxide sources are garages, heaters, fireplaces, furnaces, appliances or cooking sources using coal, wood, oil, kerosene, or other fuels. Electric appliances are not carbon monoxide sources.

#### Alarms do not guarantee safety

Alarms must be tested regularly and should have batteries changed at least annually, or when a low-battery warning sounds. The alarms must not be painted over and should be kept clean. Alarms should be replaced when they reach the end of their life span..

#### Multifamily buildings

Buildings with more than two residential units also need smoke and carbon monoxide alarms. The installation requirements for those multifamily dwellings are different. Rules for alarms in multifamily dwellings and other public buildings are in the Wisconsin Commercial Building Code, Comm 61-66.

## *FINE PRINT: Things You Should Know*

### IS SHE/HE OLD ENOUGH?

For all programs, **age requirements will be as of the date of the first class**, unless otherwise specified. Please do not request to have your child put in a class he/she does not belong in. All age requirements are set to benefit the children and make instruction more consistent for the program leader. In some instances, the requirements have been set for the child's safety.

### HOW MUCH IS IT?

Fees and charges are assessed according to the cost of the program. The Department does not want to exclude children who are unable to pay fees due to financial hardship. Resident families unable to pay all or part of the fees should contact the office.

### NEED TO TRANSFER?

Transfers will be made at no charge.

### NEED A REFUND?

Refunds will be made upon request up until 1/3 of the scheduled classes have been held (i.e. 3 classes of a 10 week session) except as noted in individual class descriptions. You may expect your refund check 2 to 4 weeks after your request is received.

A \$3 service fee will be charged on each refund initiated by the participant.

### OPEN HOUSE

You are welcome to discuss your child's progress after each class and attend the open house held during the final class session.

### MAKEUPS?

Classes missed for individual absences (i.e. illness, vacations, etc.) are not "made up" nor may participants attend classes other than the one they are registered for.

Activities cancelled by the Department will be rescheduled, if possible. If a class is unable to be rescheduled, no refunds will be issued.

### CAN I WATCH?

In an effort to avoid distractions and interruptions in instruction, for your child to have recreation time with his/her peers, and for adults to have time in an adult-only atmosphere, relatives, friends and/or other children are not permitted in classrooms or the pool during instruction.

### HAVE A COMPLAINT?

If a class does not meet your expectations, please contact the Oak Creek Parks, Recreation & Forestry Office at 768-6515 to discuss your concerns.

### DO YOU HAVE INSURANCE?

Insurance coverage for program participants is not provided by the Department or by the School District for Department sponsored activities.

### WHERE DO I PARK? ENTER? MAP PG. 14-15

**DEERFIELD:** Front entrance to school.

**EDGEWOOD:** Gym doors at rear of building.

**HIGH SCHOOL:** Main doors or East Entrance #21

**SHEPARD HILLS:** North doors next to the playground.

**WEST MIDDLE SCHOOL:** Southwest doors at the back of school next to dumpster.

**EAST MIDDLE SCHOOL:** Entrance #7

**ST. JOHN'S SCHOOL:** 2525 W. Oakwood Road. Please enter using the driveway located behind the church, between the church and cemetery

### AM I A RESIDENT?

The resident fee applies to any person whose primary residence is within the Oak Creek city limits at the time of registration and children in the Oak Creek-Franklin School District. Current proof of City residency is required **EACH YEAR** beginning with registrations for the winter (January) programming.

### WHAT IF?

**My child wants to be on the same team or in a class with a friend or sibling.**

Siblings who meet the requirements for the same class section or sports league will be placed together unless otherwise requested in writing by the parent or guardian. All other requests for unrelated children to be placed together:

- ◆ are not guaranteed
- ◆ will be for a maximum of 3 persons
- ◆ may result in the entire group being placed on the waiting list
- ◆ must be in writing and signed by parents/guardians of both children

**I want to register with my adult friend:**

- ◆ If one person is placed on the wait list, the entire group will be placed on the wait list
- ◆ If one person is a non-resident, the entire group will be processed during non-resident registration (if space is available)

**Note: All "Buddy Link" Requests:**

- ◆ If you request a buddy link and "the buddy" does not register by lottery deadline, you will be wait listed for the class.

### PROOF OF DATE OF BIRTH - CHILDREN

- ◆ Proof of date of birth for all children is required at their first registration.
- ◆ If the child's name does not match the parent who is presenting proof of residency, proof of residency in the child's name will be required at their first registration.
