CITY ADMINISTRATOR - GERALD PETERSON

The City of Oak Creek is seeing signs of an improving local economy. Significant interest from mixed use developers at Drexel Town Square (DTS) is expected to result in construction commitments and announcements throughout the spring and summer of 2014. Infrastructure work for DTS will begin in May, and is

expected to be completed by summer of next year. The City has issued \$23.5 million in debt for this work, which is expected to be paid out of the Tax Increment Funds generated from new development at the project site. A new city hall and library will be under construction at DTS in May 2014, with occupancy in the summer of 2015. A new fire station to replace the obsolete building on Puetz Road will also be under construction this May. The new fire station will be constructed on Centennial Drive across the street from the U.S. Post Office.

The City has had discussions with a number of significant retail businesses about several sites in the City. We are also in discussions with a number of warehouse and manufacturing businesses seeking to locate here. The increase in job opportunities within the City that will come from location decisions to Oak Creek by these companies will be welcomed and will help to drive positive economic spinoffs to other parts of the local economy.

The City is well positioned to serve manufacturing and warehouse needs. Lease space is available in existing buildings, and new development sites, including the 220 acre Oakview Business Park, will be available for new buildings.

Much of the basis for delivering a positive business climate in the City comes from its six active TIF districts. The City has a history of providing infrastructure to generate activity and create local jobs within these districts. In 2014, tax increments from these districts are expected to produce \$1.43 million in tax payments, enabling the City to meet all of its financial obligations for the districts.

Since 2012, City staff, working with select consultants, has been successful in applying for and receiving grants of nearly \$6.5 million to help complete priority projects. This summer, you will see the construction of Lakeshore Boulevard begin on City Lake Vista property north of Milwaukee County's Bender Park. This work will be supported with funds from a variety of grant sources and will begin to ready the property for public use and enjoyment. A variety of grants will help the City implement best stormwater management practices and energy conservation at the City Hall, Library, and Fire Station. Grant funds, will also help the City rebuild several bridges.

**MAYOR'S DESK -
STEVE SCAFFIDI**

Summer means warmer weather, but in and around Oak Creek this year it also means construction, and we are in full re-development mode as we enter this summer.

a live website camera link will be available on our city website to track the progress at the site!

A fundraising campaign is underway for the new Library to make it a signature new public building, with amenities unique to Oak Creek. If you would like to donate, please go to

<http://supportoclinary.org>

More than just a new building, the library will offer many new opportunities for learning with an extensive collection of print and electronic resources, as well as technology and community activities. The library will be located directly in the heart of Drexel Town Square, connected by a large public area to the new City Hall. Set to open in 2015, these public amenities will anchor our new downtown.

Hope you are ready for a wonderful summer, I'll see you at some of the summer events!

Mayor Steve

With significant road projects along State Highway 38 (Howell Avenue) and Drexel Avenue-related to the Drexel Town Square project- we will see plenty of orange construction barrels, and construction workers. Please make sure you slow down, and make safety your number one priority as we get through this year.

Construction on the City Hall and Library buildings should be under way, with other projects ready to start this summer. As we move through 2014, look for additional construction projects at Drexel Town Square (DTS), including the new 4 Points Sheraton Hotel. We'll continue to announce new tenants for DTS, with frequent groundbreaking ceremonies. If all goes well,

**Oak Creek Police
Community Bike Rodeo**

**For children
Kindergarten through Grade 8**

**Sunday, June 1
Noon – 3:00 p.m.**

**American Legion
Lower Level Grounds**

Picnic Pack Rental

Includes:

- volleyball set
- throw bases
- 2 frisbees
- scoop ball set with ball
- kickball and football

Call in advance to reserve. Quantities limited.

Resident Fee*:

- \$6 per day
- \$15 per weekend/holiday weekend (Fri/Sat/Sun)

***\$20 security deposit**

SUMMERTIME FOOD SAFETY

To help prevent food poisoning, follow four safety tips. **Clean:**

Always place cooked meat on a clean platter, rather than back on the one that held the raw meat. Always wash your hands after handling raw foods of animal origin.

Separate: Always keep cold foods cold and hot foods hot. When you're finished eating, refrigerate leftovers promptly. Don't let food sit out for more than two hours. On a hot day (90°F or higher), reduce this time to one hour.

Cook: When grilling, always use a meat thermometer to ensure that meats reach the minimum internal cooking temperature. **Chill:** Put perishable items in a cooler or insulated bag. For other food safety information, see www.FoodSafety.gov

AURORA HEALTH CARE IN COLLABORATION WITH THE OAK CREEK HEALTH DEPARTMENT will host three presentations in 2014 focusing on Healthy Living. Please watch for dates. Please check the Health Department's website for further information. Registration is recommended; call the Health Department at 768-6539.

RESOLVE TO BE READY IN 2014.

Extreme Heat, Flooding, Tornadoes, Thunderstorms, Snow storms, House fires, Wildfires, Pandemic influenza, Disease Outbreaks, Hazardous Material release/spill. Do you know what to do? What is stopping you from being "prepared" for an emergency or disaster? Excuses . . . Excuses . . . Excuses Here are a few of them. Do any of these excuses sound familiar?

- The odds of having a serious emergency here are slim to nothing.
- It's the job of emergency services to take care of us.
- If the emergency is really serious there won't be anything we can do anyway.

An emergency isn't planned, but you can be your best resource during any emergency. It may even save you and your family's lives.

MAKE A PLAN, BUILD A KIT, BE INFORMED. Use the Health Department "12 Months of Preparedness" guide to create a communication plan, build a go-kit/shelter-in-place kit, and be informed at:

<http://www.oakcreekwi.org/health/preparedness/index.htm>.

Another great resource is: <http://readywisconsin.wi.gov>.

***Look for bright orange signs at local business for help creating your own preparedness kits! Thanks to the following businesses for their support: Pick n' Save, Woodman's, Potter Piggly Wiggly, Walgreens, and Ace Hardware.

BEACH WATER QUALITY

Visit www.wibeaches.us for Bender Park's water quality report and the status of other Wisconsin beaches. Water quality advisory signs are posted at our beach; make sure to check the sign before entering the water. The next time you visit the beach see if you can find the two signs!

HINT: One is at a stop sign and the other is near the sidewalk as you walk to the beach close to the concession area.

RADON KITS - REDUCE YOUR RISK OF LUNG CANCER FROM RADON IN YOUR HOME.

Radon is colorless and odorless and has been proven to increase the risk of lung cancer over a lifetime of exposure. The only way to know if you are at risk is to have your home tested. The Health Department has test kits available to residents for a minimal fee: \$5.25 for a short-term kit and \$10 for a long-term kit.

WEST NILE VIRUS SURVEILLANCE

Statewide WNV surveillance will begin May 1, 2014. The three birds associated with this are crows, ravens, and bluejays. If you find a dead bird or have a question, call the dead bird reporting hotline (Wildlife Services of the Department of Agriculture) at 1-800-433-1610.

PRENATAL CARE COORDINATION

(PNCC!) Pregnancy is a time of change. Every woman can use help

with planning for a healthy pregnancy, getting ready for a new baby, and the lifestyle change that a new baby brings to the family. PNCC or Prenatal Care Coordination is a Medicaid benefit that helps pregnant women get the support and services they need to have a healthy baby. PNCC services include:

- Help getting the health care you need
- Personal support
- Information on good eating habits and health practices
- Information and help finding needed services in your community

If you are interested in this program, contact the Oak Creek Health Department for more information.

5 FUN FACTS

- Hardboiled egg shelf life is 7 days if kept refrigerated
- The time necessary for a deer tick to transmit Lyme disease when attached to the skin is 36 to 48 hours
- Only smoking causes more lung cancer deaths than radon
- A common housefly can spread more diseases than a cockroach
- The ears are a high risk area for skin cancer--don't forget to protect them with sunscreen!

ANIMAL HEALTH AND SAFETY

Be courteous to others with your pets during the warm weather months.

- Dog bites are reportable to the police department, please be cautious with your animal as they may come into contact with more people as the weather warms.
- Please remember that when walking your pet, animal waste must be immediately picked up (when off your personal property).
- It's illegal to allow an animal to run at large. Using an extended leash, such as a reel that reaches beyond 10 ft. is deemed allowing an animal to be running at large.
- Don't allow accumulations of animal waste to occur in your yard to the extent that it causes odors or a breeding area for flies.

FIRE DEPARTMENT

TOM ROSANDICH, FIRE CHIEF

GRILLING SAFETY

There is nothing better than a barbecue on a warm summer night. The Oak Creek Fire Department would like to make sure that residents keep safety in mind when they fire up their grills.

GAS GRILL SAFETY TIPS

1. Check grill hoses for cracking, brittleness, holes, and leaks. Make sure there are no sharp bends in the hose or tubing.
2. Move gas hoses as far away as possible from hot surfaces and dripping hot grease.
3. Always keep propane gas containers upright.
4. Never store a spare gas container under or near the grill or indoors.
5. Never store or use flammable liquids, like gasoline, near the grill.
6. Never keep a filled container in a hot car or car trunk. Heat will cause the gas pressure to increase, which may open the relief valve and allow gas to escape.

CHARCOAL GRILL SAFETY TIPS

1. Never burn charcoal inside of homes, vehicles, tents, or campers.
2. Charcoal should never be used indoors, even if ventilation is provided.
3. Since charcoal produces CO fumes until the charcoal is completely extinguished, do not store the grill indoors with freshly used coals.
4. Allow charcoal and ashes to completely cool prior to disposal

SMOKING SAFETY

The National Fire Protection Agency (NFPA) has released its latest statistics regarding fires involving the misuse of smoking materials. In 2011, U.S. fire departments responded to an estimated 90,000 smoking-material fires. These fires resulted in an estimated 540 civilian deaths, 1,640 civilian injuries, and \$621 million in direct property damage.

Please keep these precautions in mind if you intend to smoke in your home:

- If you smoke, smoke outside.
- Whenever you smoke, use deep, wide, sturdy ashtrays. Ashtrays should be set on something sturdy

and hard to ignite, like an end table.

- Before you throw out butts and ashes, make sure they are out. Dowsing in water or sand is the best way to do that.
- Check under furniture cushions and in other places people smoke for cigarette butts that may have fallen out of sight.
- Smoking should not be allowed in a home where medical oxygen is used.
- To prevent a deadly cigarette fire, you have to be alert. You won't be if you are sleepy, have been drinking, or have taken medicine or other drugs.

DIAL 911

It may seem like a simple task, but in the event of an emergency, dial 911 to reach fire, rescue and emergency medical services. Time is of the utmost importance in the event of an emergency and every second counts. For example, fires double in size every minute. Fires that start out small can easily grow to engulf entire buildings. Serious medical conditions like a heart attack, stroke, or traumatic injury require immediate attention by medical personnel. The Oak Creek Fire Department provides not only fire suppression, but also Paramedic level emergency medical care. With three stations strategically located throughout the city, the Fire Department is only minutes away.

MOVE OVER FOR EMERGENCY VEHICLES

Every year in the U.S., there are almost 16,000 collisions involving fire department emergency vehicles while responding to or returning from incidents. These collisions result in over 1,000 firefighter injuries and almost 50 deaths.

Many people panic or simply don't adhere to the rules of the road for approaching emergency vehicles. The law is very specific; *drivers must yield the right-of-way to an emergency vehicle, and*

failure to do so can cause serious accidents or delays in ambulances, fire engines, and fire trucks arriving at the scene of an emergency. Firefighters are careful to avoid vehicle collisions by driving slowly when traveling against traffic, or coming to a complete stop at intersections. However, the cooperation of ALL vehicles on the roadway is essential. There are some simple rules to follow when you're on the road and encounter an emergency vehicle:

DO:

- Stay calm.
- Pull to the right and come to a complete stop.
- If you're traveling on a high-speed road or if there is no room to stop, slow down as much as possible.
- If you are in the left lane, pull over into the right lane as traffic in the lane to your right moves over.
- When an emergency vehicle approaches you from behind while you are stopped at an intersection, stay where you are unless you can pull to the right.
- Be careful when driving by or around a motor vehicle accident or any situation where emergency vehicles are parked and the firefighters are working.
- Drivers should stay at least 500 feet behind emergency vehicles.

DON'T:

- Don't panic.
- Don't play your radio so loudly that you are unable to hear sirens.
- Don't stop in the middle lane when there is room to pull to the right.
- Don't pull to the left in the center lane or left turn lane.
- Don't race ahead to make the green light or turn before the emergency vehicle gets there.
- Don't drive through a red light or stop sign when an emergency vehicle approaches from behind.
- Don't disregard the presence of the emergency vehicle by continuing to drive.
- Don't pass emergency vehicles that are traveling with their lights and siren on.

JOHN EDWARDS, POLICE CHIEF

MICHAEL BOLENDER, CAPTAIN

STEVE ANDERSON, CAPTAIN

COMMUNITY BIKE RODEO

The Oak Creek Police Department Community Bike Rodeo will be held on Sunday, June 1, 2014, from noon-3 p.m. at the

American Legion lower level grounds. Children in kindergarten through grade 8 are eligible to participate and may register at the event. Basic skills and bike safety tips will be offered by the Oak Creek Police Department to help prepare youth for a safe summer of biking fun. A bicycle and helmet are required to participate. Contact the Oak Creek Police Department's Community Resource Bureau at 414-766-7624 for more information.

FINE PAYMENTS & OPEN RECORDS REQUESTS

Fine payments and open records requests can be made during normal business hours—Monday through Friday from 8 a.m. to 5 p.m. A 24-hour drop box is available in the police station lobby for payments after hours. For more information, please contact the following:

Open Records Requests: 414-766-7658
Municipal Court Information: 414-766-7621

2014 NATIONAL NIGHT OUT

The Oak Creek Police Department, along with the Oak Creek National Night Out Committee, will be sponsoring the 2014 National Night Out event on Tuesday, August 5, 2014, from 6-9 p.m. at the Oak Creek Community Center, 8580 S. Howell Avenue. This free and family-friendly event helps strengthen neighborhood spirit and police/community partnerships, and sends a message that Oak Creek neighborhoods are organized and fighting back against crime! This year's event will include crime prevention and safety messages from local and state agencies; Oak Creek Police Dept. driving skills course, ERU tactical vehicle, and K-9 Unit; Oak Creek Fire Dept. equipment and Survive Alive house; inexpensive food and drink; and the traditional neighborhood "Take Back The Night", flashlight walk to the Oak Creek High School followed by a fireworks display. Bring non-perishable food items for the Family Life Center and the Salvation

Army. These local food banks help the residents of Oak Creek. Baby/toddler food, canned fruit, peanut butter, canned tuna and pasta/pasta sauce are always in demand. Look for the marked balloons to drop off your items.

Bring your family and friends, meet your neighbors, and enjoy a safe and enjoyable night of information, food and fun. For more information, contact

Oak Creek Police Department
Community Resource Bureau
414-766-7624

WARM WEATHER REMINDERS

- With the warm weather comes more activities outside. There are more car windows down and gatherings at residences. Please be courteous of your neighbors with regard to *loud noise and music levels*. The Oak Creek Police Department responds to complaints at all times of the day, but the main hours of enforcement for loud noise/music (per City Ordinance) is between the hours of 10 p.m. and 8 a.m. The *Noise Ordinance* also designates that lawn care equipment cannot be operated between the hours of 10 p.m. and 7 a.m.
- *Rummage sale*, garage sale, advertising or other such signs cannot be placed on streets, sidewalks or other public right-of-ways, nor can they be attached to public utility poles. Illegally posted signs will be removed by police personnel.
- City Ordinance prohibits the sale, possession or use of illegal *fireworks*, except paper caps, snakes and sparklers. Keep in mind that sparklers can get as hot as 1,200 degrees and can cause serious injury to young hands and eyes.

SUMMERTIME HOME SECURITY

The Oak Creek Police Department would like to remind homeowners of a few simple tips to protect your home during this ever-popular "vacation" time of year:

- Residents can request a "vacation watch" of their home by the Oak Creek Police Department. Prior to leaving for vacation, contact the Department at 762-8200 (press "0" for Dispatch) and

provide the dispatcher with information (i.e., your departure/return date, whether lights will be left on and when, if vehicles will be left in the driveway, any designated keyholders, etc.). Our Police Aides will conduct periodic checks of your home while you are gone.

- Do not allow daily deliveries of mail, newspapers, or flyers to build up while you are away. Arrange for a friend or neighbor to pick up these items or stop your mail at the post office.
- Give your house a lived-in appearance. Put automatic timers on several lights, a radio, and a television. Set the timers so that the lights and appliances will turn on and off at random times. Leave shades and blinds in a position that you would normally leave them. Ask your neighbor to use your driveway and garbage cans.
- Arrange for your lawn to be mowed if you are going away for an extended period of time.
- Make sure all locks on the doors and windows function properly, and use them. Don't leave keys under door-mats, flower-pots, mailboxes or other "secret" hiding places. Burglars know where to look for hidden keys.

- Make sure smoke and burglar alarms function properly and are armed.
- Turn the ringer on your telephone down low or off and leave a normal message on your answering machine.
- Keep a detailed inventory of your valuables, including a description of the items, date of purchase, original value, and serial numbers, and keep a copy in a safe place away from home. Etch personal identification codes on your valuables with an engraving tool. You can also make a photographic or video record of items in your home.
- Be a good neighbor. Get to know your neighbors and watch out for each other.

If you notice anything suspicious, call **9-1-1** immediately and report it to the police.

ENGINEERING & INSPECTION DEPARTMENTS

MIKE SIMMONS, CITY ENGINEER

WATER FRIENDLY LANDSCAPING

Owners of property near a detention pond, ditch, creek, lake, or other waterway have some unique landscaping opportunities and challenges. Many natural landscape techniques offer appealing habitat to help attract butterflies and songbirds, while also helping protect the water.

A landscaped, more natural buffer zone along the water's edge, rather than traditional lawn, has many benefits, including less mowing and maintenance.

Planting native flowers and decorative grasses can improve habitat. It also helps water quality by reducing the amount of pollutants getting into the water. A vegetated buffer zone can be created in a number of ways, many of which actually reduce time and effort needed to maintain the area.

- Native plants can provide food and habitat to attract songbirds and butterflies to your yard. Information on native shoreland plant species is available from the UW-Extension at www.clean-water.uwex.edu/pubs/index.htm.
- A buffer zone can be created simply by establishing a "no-mow" zone along the water's edge. Turf grasses will grow 12-24 inches tall before going to seed
- For creating or maintaining a view of the water, consider selective removal of branches, trees, shrubs and ground cover to create clear areas while maintaining vegetation in other areas.
- Please note that City ordinance requires natural lawns to be maintained at a height of 12 inches or less, and certain areas, such as platted subdivisions with buildings on 50% or more of the lots, are required to maintain the grass at six inches or less. Additionally, noxious weeds such as ragweed are excluded from the definition of natural lawn. If you have a question, please check with the City Inspection department to determine specific requirements for your property prior to establishing a vegetated buffer area.

Some homeowners dump grass clippings on the bank of a pond, ditch, waterway, or wetland adjacent to their property. Unfortunately, as these clippings break down, they will add nitrogen and other compounds to the water, which contributes to algae growth and odors. Disposal of grass clippings or other yard waste on the banks of a waterway is prohibited by Section 8.23(b) of the Municipal Code.

OUTDOOR BUILDING PROJECTS

Now that spring has finally arrived, homeowners may be considering doing outdoor building projects that require permits. The City website has information, brochures and permit application forms to help you get started. They can be found under the Inspection Department tab at this online address:
<http://www.oakcreekwi.org/your-government/departments/inspection-department/>

The City requires permits for the following structures: fence, deck, pool, shed (greater than 120 square feet), detached garage, gazebo, pergola.

SETBACKS

The first step, is to map out where in your yard the structure will be built. The distance from a lot line or house to the accessory structure is called a setback. Setback information is required for all accessory structures except fences. Fences can usually be built on the lot line. There are exceptions if a property has certain types of easements. More information on setbacks can be found in the Oak Creek Municipal Code, Chapter 17. Zoning Code, at this online address:

http://www.oakcreekwi.org/images/downloads/Chapter_17_Zoning_Code.pdf

To assist property owners in determining setbacks, the City may provide a copy of the "plat of survey" or map of the lot, if one is on file. If no survey is on file, a printout from the City's Geographical Information System may be used when applying for a permit.

PLANS

A detailed drawing is required showing how the structure will be built, except for sheds, fences and pools. The plan may be one that is drawn by the homeowner or a professional architect. Most home improvement stores offer customized building plans for decks and other structures. If a hot tub is to be installed on a raised deck, structural calculations are required.

APPLICATIONS

The 'City of Oak Creek Building Permit Application,' form is used for the above listed projects, except for sheds and garages. Sheds and garages require a completed 'Accessory Building Permit Application.' The shed information provided by the homeowner on the form will be accepted in lieu of plans. Homeowners who are doing the work themselves must sign a 'Cautionary Statement to Owners Obtaining Building Permits.' Contractors doing work in the City must provide their Dwelling Contractor Certification number or BCR number, and their Dwelling Contractor Qualifier number.

SUBMITTAL AND APPROVAL

When you are ready to apply, present application form, plans and copy of survey to the Inspection Department. Fees are listed under the department's tab on the City website. Fees may be paid at the time of application or after the permit is approved. The City accepts checks or cash for payment. Processing of the permit can take up to two weeks, and applications are reviewed in the order in which they are received.

Any electrical work, such as wiring for swimming pool pumps, requires a separate electrical permit. Either a homeowner or a contractor may obtain an electrical permit.

INSPECTIONS

Required inspections will be listed on the approved permit or an attached memo. The cost of inspections is included in the permit fees.

SPECIAL PICK UPS

In addition to the fall & spring clean-ups that are provided at NO CHARGE, the City of Oak Creek provides special pick-ups for residents for a fee of \$25 for the following items:

- ✓ Appliances (A \$15 additional fee will be charged for freon appliances—refrigerators, freezers, dehumidifiers, air conditioners, water coolers)
- ✓ Furniture
- ✓ Carpets/Padding
- ✓ Metals of any kind
- ✓ Mattresses
- ✓ Televisions

Special pick-ups are done on Friday mornings **ONLY**. Items for pick up must be at the road by 6:45 a.m. on the scheduled Friday. Residents requesting special pick-ups must prepay the fees due by noon, the Thursday prior, in order to be put on that Friday's pick up schedule.

Please note that special pick ups **will not** be done for the following items:

- ✓ Branches
- ✓ Recyclables
- ✓ Contractor generated materials
- ✓ Hazardous Waste
- ✓ Yard Waste
- ✓ Tires
- ✓ Concrete/Stone

STREET TREE PRUNING - PART I

Street trees are planted for two main reasons: aesthetics and the many positive environmental benefits they provide. Specifically, street trees are placed along the roadways where they can:

-  Shade the many miles of pavement, Slow stormwater runoff and help to manage urban waste water,
-  Uptake air pollution at the source of production,
-  Provide an archway of community beauty,
-  Increase property values,
-  And much, much more...

Often times large growing trees are selected for street tree planting because the larger the street tree size, the greater the impact on the surrounding environment and the sense of place. Large growing trees can easily be 50 to 70 feet tall at maturity. Ideally, a street tree that is 60 feet tall will have at least 1/3 trunk to 2/3 canopy (a 20:40 ratio).

Street trees require a special type of pruning that is often misunderstood. In general, tree pruning is a misunderstood science; some of the concepts are not ob-

vious. Pruning is a semester long class and a lifetime of reflection ever after. In a series of articles, I will discuss some of the basic pruning concepts for street trees which, by the way, can be applied to most landscape trees to achieve a lasting form. Street trees are pruned for the following reasons:

1. Crown raising/Clearance over the street and sidewalk
2. Lasting, safe structure – i.e. a straight central leader with adequate branch spacing
3. Deadwood removal

GENERAL TREE GROWTH

It helps to understand how trees grow when anticipating the response a tree will have to pruning. Each year that a tree grows it puts a layer (which we read as a ring) around the outside of the trunk and every branch and twig. The oldest growth is on the inside of the trunk and branches. The second type of growth is at the end of each branch, both terminal (end) and lateral (side). New branches will also begin from lateral branch buds. Other buds become flowers or leaves.

Contrary to common misunderstanding, **a branch never moves up higher on a stem as a tree grows taller**. In the forest, due to shading, branches and stems “stretch” and grow toward the light in the upper canopy or at the sides of the forest. Most lower branches will be cut off from

FOREST GROWN TREES

nutrients and “self-prune.”

The only way for lower branches to be removed when a tree grows in full sun is by pruning. Commonly this type of pruning is called “crown raising.” Even in full sun, trees can squeeze out lower or internally

BRANCH NATURALLY “SELF-PRUNING”

shaded branches.

TIMING

We sometimes get calls inquiring as to why we were in the neighborhood but didn't prune all of the trees. Different species of trees have dramatically different growth rates. For that reason, with information from our most recent inventory (2012), we direct our pruning schedule by species.

There is also a seasonal timing that is appropriate for many trees. For instance, to avoid insect/disease invasion, it is recommended that certain trees only be pruned during the dormant (non-growing) season. Elm is a winter-only prune due to Dutch Elm Disease. After the onset of Oak Wilt, oak was added to that list. Now we have added ash due to Emerald Ash Borer. And, we try to prune as many honeylocusts as possible in the winter to avoid the Nectria canker fungus. In general, winter is an acceptable time to prune most trees.

Other seasonal considerations are to prune fruit trees, such as crabapple, in March but they can be pruned at other times of the year. And, maple is best pruned in August and early September but specifically not later into the fall.

Good times to avoid pruning, if possible, are when trees are expending a lot of energy such as during leaf-out, flowering, early seasonal growth (through June) and leaf-drop.

In our next issue, we will continue with the technical details of training/structural pruning.

MULCH

Generally, from mid-April through mid-November, mulch is often available for free pick-up at the recycling yard. Residents may call the Street Department at 570-5682 to check availability and/or to be put on a list to have mulch delivered to their homes for a fee of \$25 per load (approximately 5 yards).

GARBAGE & RECYCLING INFORMATION

Per Section 8.41 of the City of Oak Creek Municipal Code, household combined garbage not placed in a container provided by the City of Oak Creek, will not be collected. Also, all containers shall be stored upon private property & screened from public view and shall not be stored in the front yard setback.

Also per Section 8.42, garbage shall be placed for collection no later than 6:45 a.m. of the morning of collection. Then per Section 8.43, no carts shall be placed at the curb any earlier than 6:45 p.m. on the day prior to the scheduled collection day. Also, resident shall restore containers to their original storage location after collection on the same day as the collection.

If you find your **BLUE** garbage cart is always overflowing, you may purchase an additional cart from the Street Department. These carts will become your property. Contact the Street Department at 570-5682 for pricing.

Also contact the Street Department for any repairs or replacements needed for your **BLUE** garbage carts.

(414) 570-5682**

RECYCLING YARD INFORMATION

The recycling yard is located at 720 W. Puetz Road & is open Tuesdays, Fridays & Saturdays 8 a.m. until 3 p.m. In addition to the regular hours, the yard is open Tuesday evenings **ONLY** until 8 p.m. starting the first Tuesday in April through the last Tuesday in September.

Any residence that receives an individual property tax bill and has City pickup of garbage may use the recycling yard. Occupants of condos or trailer parks that have private garbage pickup may use the recycling yard for disposal of yard waste **ONLY** with the exception of grass clippings, which are not accepted.

The recycling yard will be **closed** on the following holiday:

Friday, July 4, 2014

- ✓ **NO** items may exceed 4' in length except for branches, furniture, appliances & metals.
- ✓ **NO** contractor vehicles will be allowed in to the yard.

The yard does **NOT** accept shingles, roofing materials, grass, gas, medical or hazardous waste, paints or vehicle salvage.

All freon appliances (refrigerators, freezers, dehumidifiers, air conditioners & water coolers) brought to the recycling yard will be charged a \$15 per unit fee. Doors need to be removed from refrigerators & freezers.

Tires brought to the recycling yard should be free of rims. A fee of \$3 per tire will be charged.

****USAgain now has a bin located at the yard for depositing textile items such as clothing, shoes, bedding, towels, curtains, handbags, backpacks, etc...It is located at the end of the garbage compactors. See yard attendant if you have any questions.*

BRANCH PICK-UP DATES

Branches will be picked up **beginning** on the following dates:

- Monday, June 2
- Friday, August 1
- Wednesday, October 1

To guarantee that your branches are picked up, you must have them at the roadside **BY** the dates listed above, but **no earlier** than 2 weeks prior. Once we pass through your neighborhood, we will not be back until the next date listed. Reminder, branches are to be stacked neatly with the cut ends facing the road. Roots should be separate from the

brush pile. The Street Department **WILL NOT** pickup brush that is the result of a contractor doing work on your property. It is their responsibility to dispose of the brush properly.

Branches may also be brought to the recycling yard at 720 W. Puetz Road. The hours of operation are Tuesdays, Fridays & Saturdays, 8 a.m. to 3 p.m. There are extended hours on Tuesdays from the first Tuesday in April through the last Tuesday of September when the hours are 8 a.m. to 8 p.m.

SPRING CLEAN-UP BEGINS MAY 15, 2014

The Street Department will conduct a spring clean-up beginning on Thursday, May 15th, 2014. There is **NO CHARGE** for this pick-up. Items that will be picked up are as follows:

- Garden Clippings - **excluding leaves, grass and branches**
- Furniture • Wood
- Appliances (**Doors need to be removed from refrigerators & freezers**)
- Construction Materials - **NOT resulting from a contractor**
- Metal • Mattresses
- Televisions • Carpeting/Rugs

Items that **will not** be picked up are as follows:

- Paints • Tires
- Batteries • Hazardous Materials
- Grass Clippings • Leaves
- Concrete • Branches
- Fluorescent Lights • Concrete/Stone

Residents are required to have their items at the curb or roadside by 6:45 a.m. on Thursday, May 15 in order to be guaranteed a pick up. *Once we pass through your neighborhood, we will not return for additional no charge pick-ups until the fall clean-up on Monday, November 17.* See Special Pick-Up section for information on how to make arrangements for a prepaid special pick-up for other times of the year or if you should miss the Spring Clean-Up date.

"FIZZ, BOOM READ!"
@ the LIBRARY
this SUMMER

SUMMER READING CHALLENGE

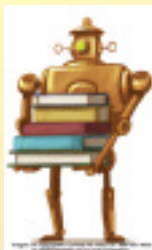

All ages – children, teens, and adults
June 16 – August 10
Keep track of the hours you read this summer and you may win a prize!
Registration Required

SUMMER STORY TIME - PRESCHOOL (AGES 3-5)

June 18 – July 23
Wednesdays 10:30-11:15; 1:30-2:15; 6:00-6:45
Registration Required

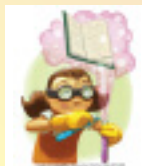

READING BUDDIES - GRADES K-5

June 16 – August 4
Mondays 12:00-3:00 PM and 5-8 PM
Children will be matched with a teen volunteer who will listen to them read and gently support their reading skills. Each session is 20 minutes and can be counted toward the Summer Reading Challenge!
Registration Required

WORLD OF ACTIVITIES - GRADES 1-6

June 19 – July 24
Thursdays 1:30–2:30
Registration Required

HUMANS vs. ZOMBIES - GRADES 6-12

June 27, 6:00-8:00 PM

Twens and teens are invited to learn about disaster prep in this after-hours zombie-filled event. An epic game of tag will conclude the night. Make-up and costume are encouraged!
Registration Required

TEEN LOCK-IN - GRADES 6-12

August 22, 7:00-11:00 PM
After the library closes, the fun begins! We will have crafts, movies, snacks, games, and more!
Registration Required

OAK CREEK RESIDENT REGISTRATION BEGINS

Monday, June 9, 2014

NON-RESIDENT REGISTRATION BEGINS

Wednesday, June 11, 2014

PERFORMANCES

OAK CREEK COMMUNITY CENTER

June 17 – July 29

Tuesdays 1:30

Different entertainer each week

Performances are geared toward children ages 5 - 10, but all ages are welcome.

Registration is not required

FUN FILLED FRIDAYS

June 20 – July 25

Fridays, 12:00–3:00 p.m.

Geared for children (ages 5-10), but all ages are welcome!

Registration not required

CRAFT-A-PALOOZA

Grades 6-12

July 17, 5:00-7:00 PM

Twens and teens can stop in for a fun filled evening of craft making! Several crafts will be available to make, or you can use your imagination to build whatever you want at the DIY station.

Registration not required

BASIC COMPUTER SKILLS FOR ADULTS

Sign up for this four-week session to learn basic computer skills.

Thursdays, 10:00 am–12:00 pm

June 5 – June 26

In-person and phone registration begins May 19th

Space is limited so early sign up is recommended!

Registration priority for all library programs given to Oak Creek residents

Programs are not scheduled for the week of June 30 - July 5

BLOCK PARTIES

If you are planning to hold a "block party", please be aware that City officials require approval. You can either visit the City's website, www.oakcreekwi.org - City Clerk's Office, to download or complete a fill-in application, or stop at the City Clerk's office approximately two weeks (or more) in advance to fill out an application, along with a map detailing where the party is to be held. The Police, Fire and Street Departments, along with the Alderperson of your district, require approval. There is no fee.

If barricades will be needed to block off a portion of the street, you will be responsible for pickup and delivery from the Street Department, 800 W. Puetz Rd., 570-5682, before 3 p.m. Friday.

RUBBISH COLLECTION FOR 2014 HOLIDAYS

HOLIDAY	DATE OF HOLIDAY	DATE OF COLLECTION
Memorial Day	Monday, May 26	Friday, May 23
Labor Day	Monday, September 1	Friday, August 29

Watch for **YELLOW** "Bring Garbage to Road" signs in your area.

For garbage collection issues, please contact

**John's Disposal
262-473-4700**

FOR YOUR INFORMATION

BICYCLE LICENSE

The Oak Creek Police Department would like to remind all cyclists to license their bikes.

A bicycle license can be obtained from the Police Department during normal business hours at a nominal \$3.50 fee. The license is non-expiring and will enable the police to locate the owner of lost or stolen bikes which are retrieved or turned in.

BASKETBALL STANDARDS

There has been an ongoing problem with residents placing basketball standards in the right-of-way (Terrace Area). This area is defined as that area between the curb and the sidewalk, and where no sidewalk exists, that area between the street pavement and the right-of-way/property line.

Section 6.25 Terrace Areas, Section (d) of the Municipal Code states: "No structures or fixtures shall be placed in the terrace area. Examples of prohibited items would be basketball backstops, statuary, flagpoles and other objects. The exception to this subsection is the installation of a mailbox as specified by the United States Postal Service."

City of Oak Creek Employment Applications Go Digital

In an effort to go paperless, the City of Oak Creek utilizes an online employment application system.

To apply for employment with the City, visit our website:
www.oakcreekwi.org

From the "Your Government" drop-down menu, select "City Employment" and click on the link relevant to the type of position you are seeking.

OAK CREEK POLICE - CONCERNED PARENTS PROGRAM

Did you know that you are responsible and can be held civilly liable for any underage person that is at your residence consuming alcoholic beverages or illegal drugs—even if you are on vacation and unaware of the party? Police officers are concerned for the safety of all of our residents, and it is often better to confront an underage drinking party before something of a serious nature occurs, such as a car accident.

BUSTED:
Police bust up
underage
drinking party

With the Concerned Parents Program, residents fill out a consent form and leave a key to their residence with the Police Department which will be held until their return. The signed consent form gives officers permission to enter their home during their absence, upon receipt of a complaint from a citizen or neighbor, in order to investigate suspected illegal activity such as underage drinking or drug use. An underage person cannot deny police officers' entry into your residence once you have given this consent. To register for this program, stop at the Oak Creek Police Department during normal business hours.

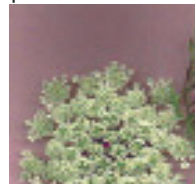

OFFICIAL NOTICE CITY OF OAK CREEK Noxious Weed Ordinance

PLEASE TAKE NOTICE THAT:

- (a) In addition to the weeds mentioned to be noxious under s. 66.0407(b), Wisconsin Statutes, the following weeds are also declared to be noxious weeds within the boundaries of the City of Oak Creek: Bull Thistle, Wild Carrot, Sour Dock, Wild Mustard, Chickory, Poison Oak, Poison Ivy, Sow Thistle, Burdock.
- (b) Except as provided in sub. (c), all weeds and grass in platted subdivisions which have buildings on more than 50% of the lots in the subdivision, in multi-family apartments and complexes, planned developments and mobile home districts shall be cut to and maintained at a height not to exceed six (6) inches. All weeds and grass in platted subdivisions which have buildings on 50% or less of the lots or which are not located in platted subdivisions and all weeds and grasses in business and manufacturing zoning districts shall be cut to a height not to exceed one foot (12 inches). The City may cause all weeds, grass and brush to be cut and removed, in accordance with this subsection and the cost thereof shall be charged to the property owner pursuant to Section 66.0627 Wis. Stats.
- (c) The provisions for destruction of noxious weeds and cutting of all weeds and grass as provided above shall not apply to areas which are designated by the Common Council as nature centers or wildlife preserves.

This program is open to students grades K-8.

It is not necessary for children to be registered in summer school to participate in wrap-around care.

On-line registration is encouraged through the district website: www.ocfsd.org

Go to "About" then "Youth Programs" then "Camp OC."

A.S.P.I.R.E - Before and after school care for your elementary school child

Available each school day for students grades K-5 at each district elementary school.

Before school 6:45 – 7:50 a.m.

After school care 2:30 – 6:00 p.m.

Pre-registration is required.

Registration forms and schedules are available at the district office or online at: www.ocfsd.org. Go to "About" then "Youth Programs" then "ASPIRE."

POINTS OF INTEREST

HOLIDAY SCHEDULE

The Recreation Department is **closed** on the following holidays:

Memorial Day: Monday, May 26

Independence Day: Friday, July 4

DEPARTMENT FUNDING

Oak Creek Common Council provides revenue for Department operations during the year.

EMPLOYMENT

The City of Oak Creek utilizes an **online employment application system**.

TO APPLY FOR EMPLOYMENT--

- Visit www.oakcreekwi.org
- Click on "Your Government"
- Select "City Employment"
- Click the link relevant to the type of position you are seeking.

AMERICAN WITH DISABILITIES ACT

Upon reasonable notice, a good faith effort will be made to accommodate the needs of disabled individuals through sign language interpreters or other auxiliary aid at no cost to the individual to participate in recreation programming. *Due to the difficulty in finding aides/interpreters, requests should be made as far in advance as possible, preferably at time of registration. For additional information or to request this service, contact:*

Oak Creek Recreation Department at
(414) 768-6515

or by writing to:
ADA Coordinator
Oak Creek Health Department,
8640 S. Howell Avenue
Oak Creek, WI 53154

SMILE! YOUR PHOTOS WANTED TOO!

On occasion, our staff may take pictures of participants in our programs. These pictures are for our future program brochures/bulletin boards. If you do not want your child photographed, please notify the Recreation Office.

Have you taken photos of recreation activities, fun in our parks, beautiful scenery in Oak Creek? We are always looking for good quality digital photos for use in the "Acorn" and our brochures.

FINE PRINT: THINGS YOU SHOULD KNOW

IS SHE/HE OLD ENOUGH?

Age requirements are as of the date of the first class, unless otherwise specified and are designed to provide the best and safest environment for the children. Please do not request to have your child put in a class he/she does not meet the age requirement for.

HOW MUCH IS IT?

Fees and charges are assessed based on the cost of the program. The Department does not want to exclude children of families experiencing financial hardship. Resident families needing financial assistance should contact the office at 768-6515.

NEED TO TRANSFER?

Transfers will be made at no charge.

NEED A REFUND?

Refunds will be made on request until 1/3 of the scheduled classes have been held, except as noted. Refunds are issued based on your original payment method. **A \$3 service fee** will be charged on each refund. Avoid the service fee by requesting credit to your account in place of a refund.

CAN I WATCH? OPEN HOUSE

You are welcome to discuss your child's progress before or after each class and attend the open house held on the final class date. Only registered participants are permitted in classrooms during instruction. This avoids distractions and interruptions in instruction, and allows adults to participate in an adult-only atmosphere.

MAKEUPS? MISSED A CLASS?

Classes missed due to absence are not "made up" nor may participants attend classes other than the one they are registered for.

Activities cancelled by the Department will be rescheduled, if possible. If a class is unable to be rescheduled, no refunds will be issued.

HAVE A CONCERN?

If a class does not meet your expectations, please contact the Oak Creek Recreation Department at **768-6515** or email rec@oakcreekwi.org to discuss your concerns.

AM I A RESIDENT?

The resident fee applies to any person whose primary residence is within the Oak Creek city limits at the time of registration and children in the Oak Creek-Franklin School District. For proof of residency information, please [see page 42](#).

PROOF OF DATE OF BIRTH

Proof of date of birth for all children is required at their first registration

WHERE DO I PARK? ENTER? MAPS PG. 14-15

EAST MIDDLE SCHOOL: 9330 S. Shepard Avenue, use Entrance #7

ST. JOHN'S SCHOOL: 2525 W. Oakwood Road. Please enter using the driveway located behind the church, between the church and cemetery.

WHAT IF?

MY CHILD WANTS TO BE ON THE SAME TEAM OR IN A CLASS WITH A FRIEND OR SIBLING.

- ◆ Siblings who meet the requirements for the same class section, or sports league will be placed together unless otherwise requested in writing by the parent or guardian.
- ◆ For all other requests please complete the carpool form on Pg. 44 or complete during online registration by clicking on "add a note or info for staff" before proceeding to the shopping cart.

I WANT TO REGISTER WITH MY ADULT FRIEND:

- ◆ If one person is placed on the wait list, the entire group will be placed on the wait list
- ◆ If one person is a non-resident, the entire group will be processed during non-resident registration (if space is available)

JOIN OUR REC E-MAIL LISTS!

Do you?

- ✓ Want to get up-to-the-minute class and activity announcements?
- ✓ Want registration reminders?
- ✓ Want to be the first to know when the "Acorn" is online?

Join our mailing list by using the QR code below with your smart phone or go to our website at the link below and fill out the email list form. We do not share or sell your email information.

Tone n Tighten

6 classes

Are you looking for something to enhance your fitness routine? This class will use resistance bands and light weights to tone and firm the whole body. Participants will be able to adjust the exercises and resistance to meet their personal goals to look and feel better without "bulking up". Weights and bands are provided. Great on its own or a nice addition to your regular fitness routine!

Instructor: Amy Hildebrandt

Location: East Middle School - Aux gym
