ZONING WORKSHOP & COMPREHENSIVE PLAN OPEN HOUSE

BOTH EVENTS TAKE PLACE AT CITY HALL - 8040 S 6TH STREET

WHAT IS THE COMPREHENSIVE PLAN AND ZONING CODE UPDATE?

Over the past year, Oak Creek has been working with the community to create a new Comprehensive Plan - a blueprint for the City for the next two decades. The second phase of this project is to update the City's zoning code to ensure that it aligns with the vision and goals of the Plan.

ZONING WORKSHOP

Do you have ideas on how Oak Creek's zoning code can be more user-friendly? Are there types of development that you think should be better buffered with landscaping? Have you experienced challenges with getting permits? Come to the workshop and let us know! Your input and ideas are important and the City needs to hear what you have to say.

COMPREHENSIVE PLAN OPEN HOUSE

This is your chance to review and provide feedback on the Comprehensive Plan. We will be presenting the draft Plan to allow residents and other community stakeholders to drop in, review, and discuss the Plan. Stop by to speak with members of the consultant team and City staff who will be available to answer any questions and get feedback before we start the official public hearing.
