Status in Oak Creek

- Current risk to those that live, work or visit Oak Creek is **LOW**.
- One positive case of COVID-19 has been identified in Oak Creek.
- The Oak Creek Health Department is actively working to reduce the spread of disease in the community.

Practice Everyday Preventive Actions

- Wash hands frequently with soap and water for 20 seconds. If not available, use an alcohol-based hand sanitizer.
- Avoid touching eyes, mouth, and nose with unwashed hands.
- Avoid close contact with individuals that are sick.
- STAY HOME when you re sick. Remain at home for 24 hours after you no longer have a fever.
- Cover your sneeze and cough.
- Clean and disinfect frequently touched objects or surfaces.
- Avoid non-essential large events and gatherings. Gov. Evers has issued an order prohibiting mass gatherings of 50 or more people, statewide.
- Avoid travel to countries and states with sustained community spread of COVID-19.
