• March 23, 2020 •

Information about this disease is constantly changing and evolving.
For the most up to date information visit: cdc.gov/covid19

Status in Wisconsin

- As of March 23, 2020 of the total individuals tested, 7050 were negative and 416 were positive.
- Wisconsin has reported 5 deaths due to COVID-19.
- Governor Evers has:
 - closed schools indefinitely.
 - prohibited gatherings of more than 10 people.
 - restricted bars and restaurants to carry-out and delivery services only. No one may eat or drink in the establishment.
 - restricted the size of all child care settings to 10 staff and fewer than 50 children.
 - ordered hair salons, day spas, nail salons, barber shops, tattoo parlors, body art establishments, and tanning facilities closed
 - issued “Safer at Home” order to go into effect Tuesday, March 24.

Status in Oak Creek

- Seven positive cases of COVID-19 have been identified in Oak Creek.
- There is evidence of community spread of COVID-19 in Milwaukee County, meaning individuals who have not traveled or had contact with a confirmed case have tested positive.
- The Oak Creek Health Department is actively working to reduce the spread of disease in the community.
- If you are experiencing signs and symptoms of COVID-19, please remain home and call your health care provider.
- Effective March 22, 2020, all playgrounds in Oak Creek will be closed until further notice. Playground equipment should not be used at this time.

Practice Everyday Preventive Actions

- Wash hands frequently with soap and water for 20 seconds. If not available, use an alcohol-based hand sanitizer.
- Avoid touching eyes, mouth, and nose with unwashed hands.
- Avoid close contact with individuals that are sick.
- **STAY HOME** when you're sick. Remain at home for 24 hours after you no longer have a fever.

- Cover your sneeze and cough.
- Clean and disinfect frequently touched objects or surfaces.
- **Avoid gatherings of more than 10 people.**
- **Avoid travel to countries and states with sustained community spread of COVID-19.**
