# OAK CREEK

## Police Department

7625 SOUTH HOWELL AVENUE — OAK CREEK, WISCONSIN 53154-2112

M. R. YOUNGLOVE  
CHIEF OF POLICE

A. H. CLASEN  
CAPTAIN

(414) 762-8200

FAX (414) 768-7445

February 24, 1992

Citizens of Oak Creek  
Mayor Dale Richards  
Common Council  
Police and Fire Commission  
City Administrator Robert Kufrin

Citizens, Mayor, Ladies and Gentlemen:

It is with pleasure and a great deal of pride in the men and women of the Police Department that I present this annual report detailing some of the activities of the Oak Creek Police Department for the year 1991.

As this report presents in some detail, 1991 was a very busy year for this department with calls for service increasing by approximately 28%, traffic arrests increasing by 21%, and all other arrests increasing by approximately 10%.

Project D.A.R.E completed its second very successful year, being received in all public and most parochial schools in the City of Oak Creek.

The department applied for and received a \$25,000 grant from the State of Wisconsin for use primarily by our Crime Prevention Unit as an example of one of many newly initiated proactive community-based law enforcement efforts by this department.

Mobile Data Terminals appeared for the first time in Milwaukee County and in the City of Oak Creek. As you are aware, these computers in the police cars allow direct communication and link up with several databases to our patrol officers.

As you review this annual report, you will again hopefully note many changes that have taken place in 1991 and will be continuing to take place for the next several years. None of these changes can be, nor will they be, successful without your continued support and the commitment

(Continued)

of all members of this department. In part, the mission of this department is, and will continue to be, to provide the highest level of police services to all members of this community. In achieving this mission, we will continue to be proactive in the equal enforcement of the law while at the same time being ever vigilant of our sworn obligation to safeguard the constitutional rights of all within our community. This challenge to law enforcement has never been more difficult and we have never needed your support more to achieve our goals.

I wish to take this opportunity to extend my personal thanks and on behalf of the entire department to each of the elected and appointed officials within the city who without their constant support and help during the entire year would have made a difficult mission an impossible one. My personal thanks to every member of the department who contributed to the report, especially Sergeant Wilson and Clerk Neuhart, who rose to the challenge of compiling and editing this report.

This report is dedicated to each and every employee of this department because they care.

Respectfully submitted,

Michael R. Younglove  
Chief of Police

## 1991 AT A GLANCE

- \* In 1991, calls for service increased by 28%, traffic arrests increased by 21%, total of all arrests (state, ordinance, and traffic) increased by 10%.
- \* On February 3, 1991, Oak Creek Police Department had its first Open House. The public was invited to tour the station, view the many displays that were set up, and meet the majority of OCPD officers who were in attendance. The Open House was considered a great success--approximately 700 people toured the station.
- \* Oak Creek Police Department wrote for and obtained a \$25,408.00 grant from the state to be used for developing and implementing a Neighborhood Drug Use and Violence Prevention Program.
- \* Staff begins process of reviewing, updating and revising, as needed, all departmental rules, regulations, and policies.
- \* Oak Creek Police Department Dive/Rescue Team is started. Dive team consists of 3 certified divers, of which two are sworn officers and one is a member of the Oak Creek Police Auxiliary.
- \* D.A.R.E. vehicle was added to Oak Creek Police Department fleet of cars. This vehicle was acquired through an investigation that led to a forfeiture of property.
- \* Two dispatcher positions were approved by the Oak Creek Common Council and filled in May 1991. The creation of these positions relieved officers of dispatch duties, making them more available for the ever increasing demands for police services.
- \* Tavern Inspection Unit is implemented. Four officers received training from Alcohol and Tobacco Enforcement Section of the Department of Revenue. Their duties are to enforce local/state alcohol, liquor and tobacco laws.
- \* Mobile Data Terminals (MDTs) were added to all Oak Creek Police Department marked patrol vehicles. The MDTs will greatly enhance the patrol officer's investigative techniques.

NEW PERSONNEL/PROMOTIONS/RETIREMENTS

During 1991, Oak Creek Police Department hired the following:

<u>NAME</u>	<u>DATE OF HIRE</u>
ANDERSON, Steven J.	07-22-91
BOLENDER, Michael R.	04-08-91
GRAUBERGER, Julie M.	07-22-91
JURK, Scott J.	05-06-91
MORGAN, Julie M.	05-06-91
MURPHY, Brian J.	04-15-91
OTTO, Deborah A.	01-14-91
STENCEL, JoAnn M.	05-06-91
WINEGARDEN, Kelly R.	07-22-91

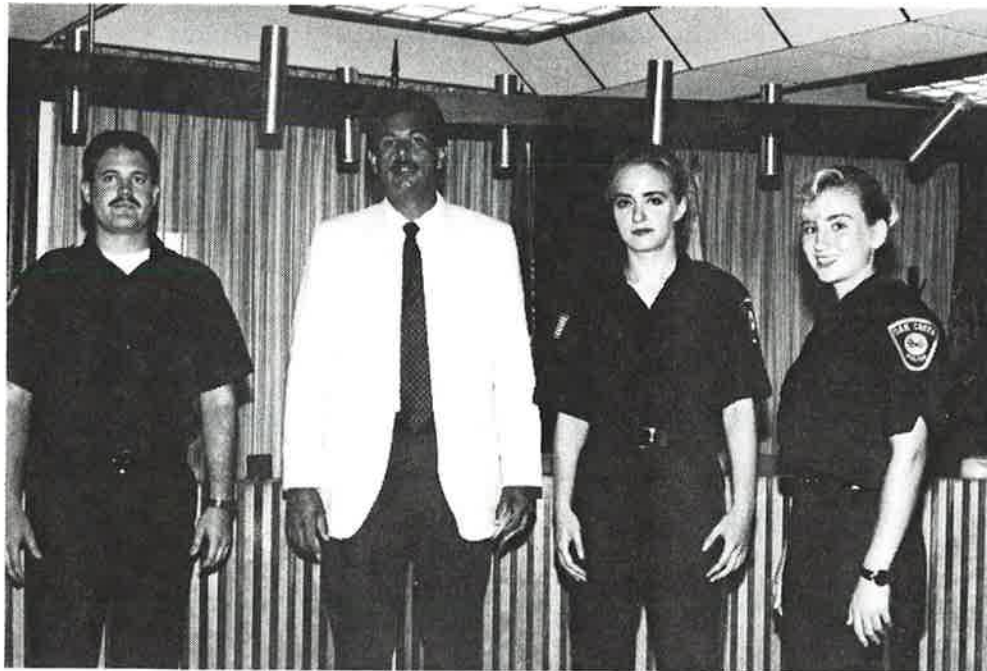

New Personnel/Promotions/Retirements Cont'd...

During 1991, the following members retired from the Oak Creek Police Department:

<u>NAME</u>	<u>DATE OF HIRE</u>	<u>RETIREMENT DATE</u>
LANCTOT, Derreld J.	11-09-64	05-01-91
WHITE, Virgil A.	07-01-61	07-01-91
LACHER, Clara	06-15-69	08-27-91

During 1991, the following members resigned from the Oak Creek Police Department:

<u>NAME</u>	<u>DATE OF HIRE</u>	<u>RESIGNATION DATE</u>
KOPP, Paul M.	02-02-90	01-07-91
DODGE, Jeffrey A.	03-26-84	03-18-91

*Officers Steve Anderson, Julie Grauberger, and Kelly Winegarden with Chief Younglove on July 22, 1991, the date they were sworn in.*

## Crime Prevention Unit Cont'd...

And, as in years past, all Oak Creek officers distributed baseball cards featuring the Milwaukee Brewers. These have been a favorite item for the youngsters and will continue to be a practice by the Police Department.

*McGruff, who is a member of the OCPD Crime Prevention Unit, speaks with children and parents explaining how they can assist in taking a bite out of crime.*

### **PROJECT D.A.R.E.**

Project D.A.R.E. (Drug Abuse Resistance Education) is now in its second year in the Oak Creek elementary schools. This program's curriculum was developed in Los Angeles by the Los Angeles Unified School District together with the Los Angeles Police Department. While the core curriculum is specifically aimed at the fifth and sixth grade levels, there is curriculum suited for kindergarten through fourth grades. At this time, we are concentrating our efforts on the sixth grade level.

D.A.R.E. lessons focus on several areas, some of which are:

1. Accurate drug information
2. Self-esteem
3. Identifying pressure sources
4. Resistance techniques
5. Alternatives to drug use
6. Identifying and dealing with stress

## **Project D.A.R.E. Cont'd...**

D.A.R.E. uses uniformed police officers as instructors. This is done for several reasons:

1. High credibility on the subject of drugs
2. Positive role model
3. To promote a positive attitude about police by interacting with officers on a personal level

This will help students develop positive attitudes, not only about police officers but also more positive attitudes toward laws in general.

Project D.A.R.E. in Oak Creek consists of three trained D.A.R.E. officers. Each officer is assigned to a particular school. On that school's D.A.R.E. day, the officer spends the majority of the day in the school, not only teaching the D.A.R.E. curriculum but also interacting with as many students as possible.

The first year of D.A.R.E. ('90-'91) saw 333 students graduate from the program. 163 students have graduated so far in the '91-'92 school year, with another 197 expected to graduate in May of 1992.

The funding for the D.A.R.E. program has come from several sources this year including a State drug grant, Oak Creek School District, and several generous donations from area businesses and organizations.

At this time, different ideas are being discussed to accommodate the new middle school concept projected to open in the '93-'94 school year. The program may be expanded in '92-'93 to include both fifth and sixth grades and then, in '93-'94, lower the target grade to the fifth grade level. This will allow officers to stay in the elementary school environment where it is felt that they have a greater impact on students.

Project D.A.R.E. continues to be a success in the schools, receiving praise from the administration, teachers, parents and students.

## **DRUG ENFORCEMENT UNIT**

The Oak Creek Police Department Drug Enforcement Unit consists of a captain, two detectives and four patrol officers. All of the officers are assigned to their regular duties as well as drug enforcement.

In 1991 the Drug Unit made 8 felony arrests for delivery of a controlled substance and 23 state arrests for possession of a controlled substance. In addition to the state cases, the Drug Unit accounted for 47 municipal citations for possession of a controlled substance and, overall, a total of 147 arrests for substance abuse in the City of Oak Creek.

Those arrests accounted for the seizure of 700 hits of LSD (street value of \$3,500.00), 1170 grams of marijuana (street value of \$5,250.00), and 1136 grams of cocaine (street value of \$114,800.00).

In 1991, the Drug Unit began an Interdiction Unit with 16 interdictions being conducted, resulting in 6 arrests and the seizure of \$34,000.00.

Members of the Drug Unit worked jointly with county and federal agencies, resulting in the forfeiture of a home, two vehicles and money. One vehicle is currently used as a D.A.R.E. vehicle by the D.A.R.E. officers of the Oak Creek Police Department.

## Drug Enforcement Unit Cont'd...

In addition, members of the Drug Unit are available for drug abuse/awareness presentations and have provided those to local church, school and civic groups. Along with this, the members of the Drug Unit also provide a section of a booth at the annual Chamber of Commerce Business and Industry Fair.

### DIVE/RESCUE TEAM

The Oak Creek Dive/Rescue Team was started in February of 1991. The team currently consists of three certified divers, including two sworn officers and one auxiliary member of the Oak Creek Police Department. The team further consists of top people, or rope handlers, who are auxiliary officers.

The team trains on a monthly basis. Training is held under various conditions, such as night dives, ice dives and zero visibility dives.

The Oak Creek Dive/Rescue Team trains with the Franklin team on a regular basis and, in late spring of 1991, assisted the Franklin team in the recovery of a submerged vehicle.

A dive truck was purchased by some of the members of the Dive/Rescue Team in 1991. This truck is equipped with all specialty equipment needed to cover almost any type of emergency dive.

*Oak Creek Police Department Dive/Rescue Team participating in cold weather training.*

## ARSON INVESTIGATION UNIT

The Oak Creek Police Department fire investigation team consists of one lieutenant, one sergeant, three patrol officers from the Oak Creek Police Department, and one commander from the Oak Creek Fire Department. The unit's primary function is to investigate any fire that aroused suspicion as to the fire's cause and origin. The unit also has the responsibility to investigate any fire that causes death or injury or substantial property loss. Involvement by the fire investigation team is initiated by request from first responding members of the police or fire departments.

Two or three investigators work together to determine possible cause and origin of a fire scene. Depending on the size or severity of a fire, more investigators may be used as well as enlisting the services of the Detective Bureau or available patrol officers.

Whenever conditions require a fire marshal from the Wisconsin Department of Criminal Investigation on the fire scene, our fire investigators work closely and assist in all aspects of the fire investigation. The unit also works in cooperation with insurance companies and their investigators through to the final disposition of any investigation.

The Oak Creek Police Department classifies fires as either arson related or fires other than arson. Arson is defined as an intentionally set fire; therefore, most fires are classified as fires other than arson. After investigations are completed, these fires are labeled either accidental, suspicious or undetermined when no intent can be discovered.

The total number of fires investigated during 1991 by either patrol officers or investigators is 106. That figure is down from 119 during 1990. The total number of fires classified as arson related was 7 in 1991, up from 6 arson-related fires during 1990. There were no adult arrests for arson related charges during 1990; however, one juvenile was arrested for intentionally setting a fire during 1991.

*Officer Mitchell at a presentation exhibits photographs of arson scenes investigated and some of the equipment and investigative tools used by the Arson Unit.*

## OAK CREEK AUXILIARY POLICE

In 1991, the Oak Creek Auxiliary Police completed its 23rd year of service to the community. Established in 1969, the Oak Creek Auxiliary Police consists of Oak Creek citizens that volunteer their time to assist the Oak Creek Police Department.

Members of the Oak Creek Auxiliary Police receive training in areas of basic law enforcement including traffic and crowd control, self defense, and handcuffing techniques. The Auxiliary Police officers are uniformed but do not carry weapons.

The unit's primary function is to provide security and traffic and crowd control at community events such as the Lion's Festival, the Fourth of July parade and celebration, high school sporting events and the Oak Creek Community Center Festival. The Auxiliary Police also assist the police in areas ranging from municipal court to disaster scenes.

This year, the unit became involved with the newly formed Oak Creek Dive/Rescue Unit. Auxiliaries assist as top men or rope handlers and one of the auxiliary officers is a certified diver on the team.

Auxiliary Officer Doug Barbian has saved the Police Department a great deal of money by volunteering his services as a computer consultant, assisting in purchasing and setting up the many computer systems needed in modern police work.

The Oak Creek Auxiliary Police are looking forward to expanding their many community services in 1992.

## OAK CREEK POLICE EXPLORER POST 864 AND POST 911

The Oak Creek Police Explorer Post has been chartered by the Oak Creek Police Department for the past 12 years. Explorer posts are a division of the Boy Scouts of America. Explorer posts were established to introduce young people to a certain career which they may want to pursue as an adult. At the end of 1991, there were 40 people between the ages of 14 and 21 registered to the Oak Creek Police Explorer Post. This year, several past and present members are attending MATC working toward their degree in police science.

Traffic stops, crime scene investigations, fingerprinting, and hand gun safety are just a few of the topics explorers are instructed on during the course of the year. Explorers have invited guest speakers from other police departments, as well as representatives from several government agencies.

The Explorers again attended a seminar at the Milwaukee Safety Academy. At this seminar the Explorers compete against other law enforcement posts from southeastern Wisconsin. One team took a first place in crime scene investigation with a perfect score of 100. The Post also took awards in traffic stops and officer survival.

1991 was also the year the post had to divide into two posts because of the large number of members. We now have Post 864 and Post 911. However, both posts still are chartered under the Oak Creek Police Department.

Because of the Gulf War, our Explorer Post was asked to assist at Second Harvesters in the Annual Boy Scout Food Drive. Normally, members of the National Guard unload the trucks but, because most members were on active duty, the Guard did not have enough equipment or personnel available. The Post members volunteered their assistance. We also manned our normal drop-off site at the American Legion.

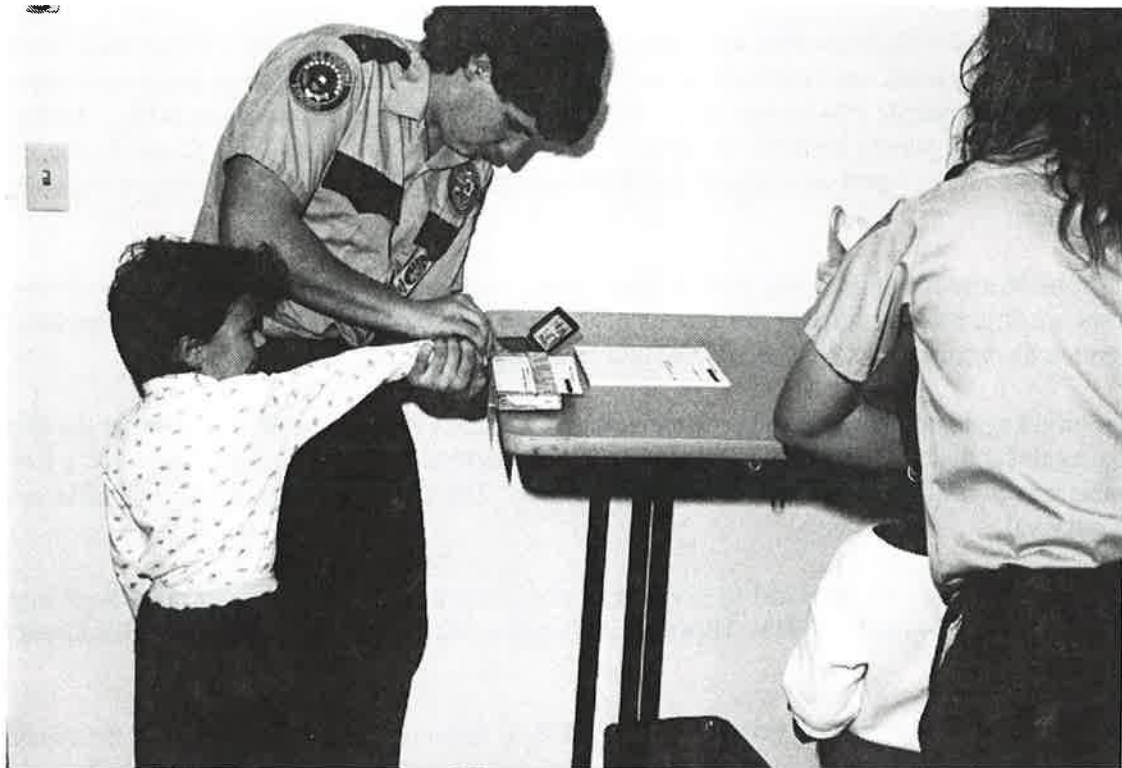

**Oak Creek Police Explorer Post 864 and Post 911 Cont'd...**

The Explorers are always willing to take part in civic celebrations when invited. In addition, they volunteer their time to projects of the Boy Scouts of America.

Each year the Oak Creek Police Explorers Post is asked to assist with public and private festivals. The Post has developed a reputation of being prompt, trustworthy, and courteous. The festivals then donate money to the Post. This is necessary because the Post is self-supporting and receives no financial compensation from the Police Department. Money is spent on uniforms, equipment, education and recreation.

The following is a breakdown of activities conducted by the Oak Creek Police Explorer Post during 1991. Only four events were money generating activities.

Traffic & Crowd Control Functions (These may be several days long.)	9
Civic Celebrations	4
Public Assistance Events (Children's fingerprinting, food collection, etc.)	4

*OCPD Explorer members assisting in personal identification fingerprinting of children during Open House at the Oak Creek Police Department.*

## TAVERN INSPECTION UNIT

1991 saw the creation of the Tavern Inspection Unit. The unit, comprised of four patrol officers, received training by an agent of the Alcohol and Tobacco Enforcement Section of the Department of Revenue.

The duties of the unit are to insure compliance with various local and state alcohol, liquor and tobacco laws of businesses dealing in the sale of these items. The unit conducted a total of 11 inspections. In those instances where violations or infractions were found, officers requested the cooperation of the management to establish compliance with regulations.

## OPEN RECORDS

The general requirements of the Open Records Act are found in Chapter 19 of the Wisconsin statutes. Specifically, the general rule is found in S. 19.35(1)(A) which states, "Except as otherwise provided by law, any requester has a right to inspect any record."

The right to access the public records is not absolute, however. The law recognizes three types of exceptions to the general rule: explicit statutory exceptions, traditional common law exceptions, and for **individual cases**, the public interest in keeping a record confidential, outweighing the public's right to have access.

The Oak Creek Police Department handled approximately 2,190 requests for open records in 1991. Two sergeants and the Clerical Department were responsible for handling these requests. It is the job of the open records officers and the Clerical Department to first research the request for any and all possible records and then produce a copy of that record. Finally, the open records officers scan the records for any of the abovementioned exceptions to the Open Records Act.

The average time needed to receive, research, produce, scan, and deliver the citizen requests for open records is approximately 30 minutes. The time to process the average insurance company mail request is approximately 15 minutes. The approximate total hours expended by the Open Records Department in 1991 was 649 hours.

The total revenue for open records in 1991 was approximately \$6,000. This figure is up significantly for two reasons. For the first time, insurance requests were included and a revision of the fee structure in 1990 produced a greater price per page per request.

<b>Open Records Requests</b>			
	1991	1990	1989
Total Requests	390 (+ 1800 Insurance)	231	186
Total Hours	649	180*	143*
Total Revenue	\$6,000**	\$548*	?

\* Without Insurance Requests

\*\* Revised Ordinance - Section 3.10 Fee Increases

OPEN RECORDS BREAKDOWN

<u>Type of Request</u>	<u># of Requests</u>
Insurance Company/Mail Requests Approved (Approximately 150/month)	1800
Citizen Requests Approved - Picked Up	280
Citizen Requests Approved - Not Picked Up	45
Photo Requests	12
Discovery Demands	13
Citizen Requests - Unable to Process/No Record	16
Citizen Requests - Denied - Sensitive Nature	19
Audio Requests	5
 Total Requests	 2,190

BUREAU OF IDENTIFICATION

The Bureau of Identification is responsible for the processing of all fingerprint cards generated by the Oak Creek Police Department, as well as overall maintenance of the fingerprint files.

During 1991, the Bureau of Identification files increased in size by 1,018 subjects, increasing the overall number of fingerprint cards on file with the Bureau of Identification to 13,678.

Of the 1,018 new entries, 956 of them are of individuals arrested by the Oak Creek Police Department for various offenses ranging from minor ordinance, traffic and state statute violations to serious felony offenses.

In addition, 62 fingerprint cards were processed by the Bureau of Identification for non-criminal reasons, which include licensing, record checks, and personal identification.

The Bureau of Identification is also responsible for providing personal identification fingerprinting programs. These programs, which are provided free of charge, are primarily targeted at young children. The children are fingerprinted on a personal identification fingerprint card, which is then retained by the child's parents. Through this program, which began in 1982, the Bureau of Identification has been able to fingerprint hundreds of children.

1991 Fingerprint Card Breakdown:

Arrests.....1018  
Licensing/Etc...62  
  
Total.....1080

## PHOTOGRAPHY DEPARTMENT

The Photography Department consists of the following equipment:

### 35mm Cameras:

- 2 - Canon EOS 630 auto-focus cameras with dedicated flash units
- 1 - Pentax Spotmatic with 80-210 zoom lens, plus a 2x converter
- 1 - Ricoh auto-focus camera for mug shots

### Video Equipment:

- 1 - Panasonic AG 170 VHS camera (Donated by the Lion's Club)
- 1 - Panasonic AG 1730 VCR
- 2 - Panasonic AG 180 VHS cameras (Donated by MADD)

### Polaroid Cameras:

- 2 - Auto-focus SX 70 cameras
- w - Manual focus SX 70 cameras
- 2 - Minolta Spectrum system cameras

### Darkroom Equipment:

- 1 - Omega brand enlarger
- 1 - Arkay drier (for prints)
- 1 - Bulk loader for 35mm film, plus reusable canisters
- 1 - Patterson 35mm film developing tank

During 1991, the Photography Department developed 165 crime scene photos, including accident scenes, 1010 mug shot photos and 200 Polaroid photos, to include keeping a file for each type of photo. The Photography Department also generated approximately \$800 worth of revenue for the City by reprinting photos for citizens, insurance companies and attorneys. All black and white processing is done in-house and all color photography is done at Family Photo, 6508 S. 27th Street, Oak Creek.

All of the cameras can be operated by any member of the department. There is training conducted by members of the department on the use of the cameras.

Recently two video cameras have been set up to work on the street. These cameras are a supplement to the two 35mm cameras available for crime scene work.

## PROPERTY CUSTODY

Property is defined as items taken by our officers as evidence to be used in criminal or civil trials, items seized by our department, or found property. Our department instituted in 1991 a uniform property control policy, along with the implementation of a new property record. New items of property coming into our control along with existing items currently being held account for 355 "property records" being generated. These property records contain itemized lists which include the several hundred separate items in our control.

Property under this department's control ranged from vehicles, weapons, drugs, money, recreational vehicles, and all types of personal property.

## Property Custody Cont'd...

Once an item of property is inventoried, it must be accounted for until the final disposition of the case. Property whose owner is known is returned to that owner upon completion of the case. Found property, or property that is recovered, is held for the City of Oak Creek auction in the spring of every year; or, if the item is of no value, it is destroyed.

The property officers coordinated the annual auction which was held on July 13, 1991. Items included 54 bicycles, miscellaneous office equipment and furniture from the Police Department along with office equipment from City Hall and Engineering. The Fire Department had included a 1979 Ford LTD passenger car and its items. The total profit from the 1991 auction was \$950.88. That money was turned over to the City Treasurer to be entered into the general account as per ordinance.

## FIREARMS TRAINING

Firearms training in 1991 continued utilizing the Wisconsin Electric Rod & Gun club outdoor range and the South Milwaukee Police Department indoor range. Types of training included familiarization and/or qualification firing with the issued sidearm as well as other department firearms.

The department sponsored a 5 week pistol league that was mandatory for all personnel. Numerous officers also participated on a voluntary basis in other pistol and trap shooting leagues sponsored by the Rod & Gun Club.

Work continues to progress on upgrading the ventilation system on our present indoor range facility located in the basement at City Hall. It is anticipated that renovation should be complete sometime in early 1992.

*Officer Brian Murphy participating in firearms training.*

## OPEN HOUSE

On February 3, 1991, our department conducted its first ever Open House. The department had been going through extensive updating in the areas of painting, carpeting, and drywalling, and we put the finishing touches on the building just prior to the Open House. Sunday, February 3rd, turned out to be a beautiful day, and the Open House was well attended. Invitations had been sent to city officials for an early Open House conducted between noon and 1:00 p.m. The general Open House was held from 1:00-4:00 p.m. and approximately 700 people toured our station that day.

Chief Younglove had decided against guided tours through our department and, instead, opted for department members to be stationed throughout the department, allowing citizens a free reign to browse at their leisure.

The courtroom had been set up as a reception area where residents were invited to indulge in refreshments. There they had an opportunity to meet with the Chief and other members of the staff to discuss our Annual Report, which was available that day, and other pertinent statistics that were prominently posted in the reception area.

Some of the more popular displays of the day included the weapons, arson, crime prevention, photo lab, squad cars, D.A.R.E., and the main dispatch area. We were represented by almost all members of the department, who were assigned to the miscellaneous displays. The Oak Creek Auxiliary and Oak Creek Explorer Post, as always, filled in where needed.

The kids seemed to have a great time and really seemed to like the idea of having the run of the Police Department. The kids colored squad car pictures, drank juice and ate candy, and upon leaving received a complimentary grab bag of candy and a plastic badge.

The adults were able to get numerous handouts from areas such as drug awareness and crime prevention. All in all, it was a great day for the citizens and the officers to interact and have some fun.

*Sgt. Martinko explains the booking process.*

Open House Cont'd...

To Other Municipal Court	5	2		
Jury Trial Requests		28		
<b>Totals</b>	<b>834</b>	<b>2006</b>	<b>561</b>	<b>202</b>

Total cases disposed for 1991 is 3,603

Total cases disposed for 1990 is 3,111

Total increase of 492

FINES COLLECTED		
	1990	1991
January	\$17,514.00	\$13,795.00
February	\$18,537.50	\$18,554.75
March	\$17,394.00	\$18,016.00
April	\$17,862.50	\$19,706.75
May	\$15,129.00	\$21,350.00
June	\$18,047.50	\$16,246.00
July	\$13,639.00	\$15,427.00
August	\$18,845.00	\$24,057.75
September	\$13,811.25	\$20,679.50
October	\$23,178.50	\$18,421.50
November	\$15,590.50	\$17,790.00
December	\$15,292.25	\$15,982.00
<b>TOTALS</b>	<b>\$204,841.00</b>	<b>\$220,026.25</b>

Increase/Decrease for 1991 + \$15,185.25

A portion of fines collected is forwarded to the state and county (20% and \$10 per case respectively). On Operating While Under the Influence of Intoxicant cases, an additional \$250 driver surcharge is forwarded to the state.

Parking ticket figures are not included in the above.

Occupational licenses approved by the court numbered 42, with 2 petitions being rejected. Each license costs \$40, with \$20 on each license being retained by the City (\$1,680 of which \$840 was retained).

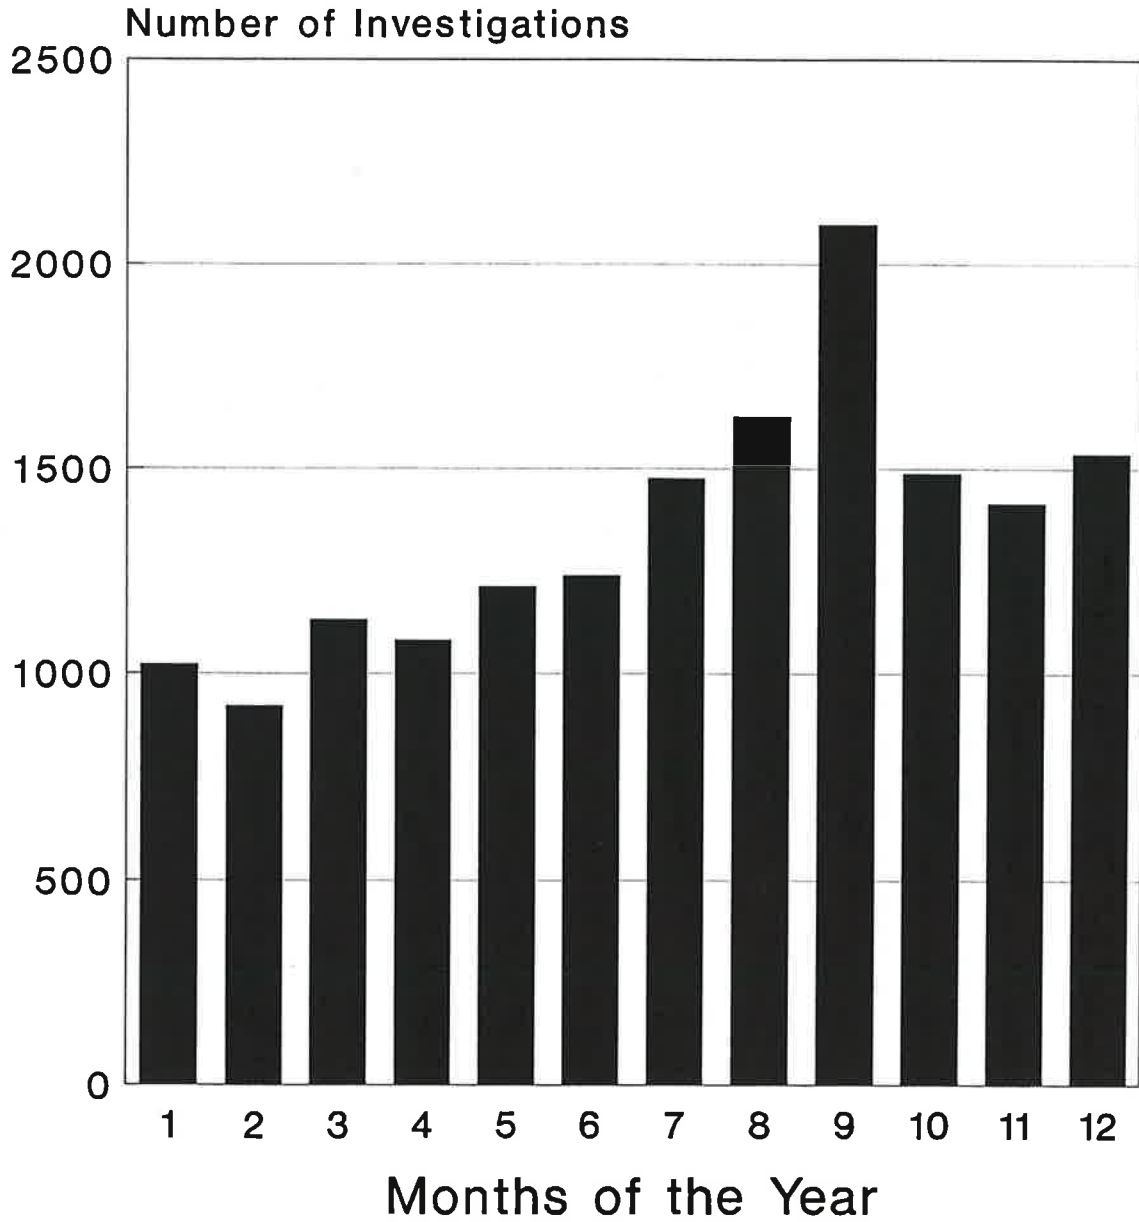

## INVESTIGATIONS

During 1991, the Oak Creek Police Department investigated 16,238 complaints and made 3,406 arrests. (Complaints increased by 28% and arrests increased by 10%.) Listed below is a small portion of some of the varied calls that officers had to respond to. Also listed is the number of complaints in 1990 and 1991 for each of the categories and the percentage difference.

INVESTIGATIONS
