

City of Oak Creek Weekly COVID-19 Update

• January 3, 2022 •

Data is updated and shared every Monday. Change has been calculated from December 20 update.

COVID-19 Case Updates

Total Positive Cases	Deaths
7,127 (+738 from 12/20)	67 (+1 from 12/20)

Source: Wisconsin Department of Health Services - Testing data represents the number of people tested by the diagnostic test that detects the virus in the nose or throat (and not a blood test that detects antibodies).

COVID-19 Community Burden

Burden	14-Day Positivity Rate	New positive cases over 14-day period: 12/15 - 12/28
742	18.5%	271

COVID-19 Vaccine Distribution

Percent of population with one dose of vaccine	Percent of population fully vaccinated
71.0%	66.9%
