

City of Oak Creek Weekly COVID-19 Update

• January 17, 2022 •

Data is updated and shared every Monday. Change has been calculated from January 10 update.

COVID-19 Case Updates

Total Positive Cases	Deaths
8,795 (+685 from 1/10)	73 (+2 from 1/10)

Source: Wisconsin Department of Health Services - Testing data represents the number of people tested by the diagnostic test that detects the virus in the nose or throat (and not a blood test that detects antibodies).

COVID-19 Community Burden

Burden	14-Day Positivity Rate	New positive cases over 14-day period: 12/29 - 1/11
2,785	36.2%	1,017

COVID-19 Vaccine Distribution

Percent of population with one dose of vaccine	Percent of population fully vaccinated
71.9%	67.7%
