

City of Oak Creek Weekly COVID-19 Update

• January 24, 2022 •

Data is updated and shared every Monday. Change has been calculated from January 17 update.

COVID-19 Case Updates

Total Positive Cases	Deaths
9,145 (+350 from 1/17)	74 (+1 from 1/17)

Source: Wisconsin Department of Health Services - Testing data represents the number of people tested by the diagnostic test that detects the virus in the nose or throat (and not a blood test that detects antibodies).

COVID-19 Community Burden

Burden	14-Day Positivity Rate	New positive cases over 14-day period: 1/5 - 1/18
3,838	29.7%	1,402

COVID-19 Vaccine Distribution

Percent of population with one dose of vaccine	Percent of population fully vaccinated
72.1%	67.8%
