

City of Oak Creek Weekly COVID-19 Update

• February 14, 2022 •

Data is updated and shared every Monday. Change has been calculated from February 7 update.

COVID-19 Case Updates

Total Positive Cases	Deaths
9,486 (+57 from 2/7)	82 (+3 from 2/7)

Source: Wisconsin Department of Health Services - Testing data represents the number of people tested by the diagnostic test that detects the virus in the nose or throat (and not a blood test that detects antibodies).

COVID-19 Community Burden

Burden	14-Day Positivity Rate	New positive cases over 14-day period: 1/27 - 2/8
999	15.0%	365

COVID-19 Vaccine Distribution

Percent of population with one dose of vaccine	Percent of population fully vaccinated
72.9%	69.0%
