

City of Oak Creek Weekly COVID-19 Update

• June 6, 2022 •

Data is updated and shared every Monday. Change has been calculated from **May 31** update.

COVID-19 Case Updates

Total Positive Cases	Deaths
10,347 (+95 from 5/31)	89 (no change from 5/31)

Source: Wisconsin Department of Health Services - Testing data represents the number of people tested by the diagnostic test that detects the virus in the nose or throat (and not a blood test that detects antibodies).

COVID-19 Community Burden

Burden	14-Day Positivity Rate	New positive cases over 14-day period: 5/18 – 5/31
514	19.0%	188

COVID-19 Vaccine Distribution

Percent of population with one dose of vaccine	Percent of population fully vaccinated
74.3%	72.6%
