

City of Oak Creek Weekly COVID-19 Update

• July 18, 2022 •

Data is updated and shared every Monday. Change has been calculated from July 11 update.

COVID-19 Case Updates

Total Positive Cases	Deaths
10,854 (+53 from 7/11)	91 (no change from 7/11)

Source: Wisconsin Department of Health Services - Testing data represents the number of people tested by the diagnostic test that detects the virus in the nose or throat (and not a blood test that detects antibodies).

COVID-19 Community Burden

Burden	14-Day Positivity Rate	New positive cases over 14-day period: 6/29 - 7/12
341	20.2%	125

COVID-19 Vaccine Distribution

Percent of population with one dose of vaccine	Percent of population fully vaccinated
74.7%	72.9% (No change from 7/11)
