

What do you need in your community to be healthy?

Join us in imagining a healthy and thriving South Shore. Hear from others in your community and share your ideas on what our communities need to be healthy through a creative mapping activity with local artist, Lauren Marvell.

All events held from 4pm – 6:30pm

Tuesday, October 3rd
Cudahy Family Library

Thursday, October 12th
Oak Creek Civic Center

Monday, October 16th
South Milwaukee Administration Building

Thursday, November 2nd
St. Francis Civic Center

GIVEAWAY + RAFFLES!

while supplies last

Your Voice Is Needed!

You are invited to join us at our upcoming **Our Community, Our Voice** events. View results from recent surveys, focus groups, and interviews and share your own experiences! Help create a community map that will explore what our communities need to be healthy and thrive!
