

Oak Creek Health Department Quarterly Highlights

Winter 2023/2024

Community Narcan Trainings

In collaboration with the Cudahy and South Milwaukee/St. Francis Health Departments, FREE Narcan trainings are offered the second Wednesday of each month within one of our four communities. To see the locations of our upcoming trainings and register, visit: southshorecares.org/raise-awareness

Check Out Our Story Walk

South Shore CARES in collaboration with the Franklin Health Department and Volition Franklin have created a story walk to promote and encourage our communities to have important conversations surrounding mental health. You can check out the story walk signs (like the one shown above) at the Oak Creek Civic Center through the middle of March. Then look for the story walk in any of our partnering communities!

Available NOW!

The Health Department now has a FREE supply of gun locks. Stop by to get yours during our normal hours, Monday-Friday 8am-4pm. Gun lock are also available 24/7 in our Harm Reduction Vending Machine at Fire Station #3.

Individuals reached through social media. Join our more than 3,000 followers! @OakCreekHealth

Over 20K

Sharps Collection

The Oak Creek Health Department offers FREE sharps disposal to all residents. Bring in your sharps in a red sharps container during our normal business hours and receive a new container in return.
