In the Provider Network Search:

1. Type in and select the UnitedHealthcare NexusACO Network (English)
2. Click "Search"

## Look up in-network health care providers

The providers that are available to you through this application may not reflect all the available contracted providers or certain specialties within your network.

Not all providers at listed facilities (hospitals, surgical centers, etc.) are in-network providers. To verify if the providers are in-network, contact the provider directly or call the toll-free number located on your health plan ID card.

Information included in the provider directory is accurate and has been updated to the best of our knowledge.

**Important:** Please verify the provider is still in the network prior to your next visit and before receiving any services.

FIND A PROVIDER | Nexus ACO Network

Click on the **View providers** button below to search for health care professionals in your network.

## Helpful Cost Estimates

This provider search tool also shows information about the cost of care. Look for providers labeled "Premium Care Physician", which indicates the provider meets the criteria for providing quality and cost-efficient care. Click on a specific provider to view average cost estimates for office visits and treatments for illnesses and conditions within your area.

**Important:** Please verify the provider is still in the network prior to your next visit and before receiving any services.

## Additional Resources

Behavioral Health and Durable Medical Equipment have separate directories

- Behavioral health directory
- National vendors directory
- Add my provider to the network

Select **View Providers** to search for a physician or facility in the NexusACO network

Note: Provider search requires IE 11.0 or greater. If you are currently using a version less than this, please update your browser.
