

Oak Creek Health Department Quarterly Highlights

Summer 2024

National Night Out

The Health Department is dedicated to connecting with our community and keeping everyone as safe as possible. This year, we partnered with the Oak Creek Police

Department for the bike rodeo and National Night Out (NNO). The Health Department provided bike helmet fittings to make sure everyone was riding safely. At NNO, we offered tote bag painting along with other safety resources available to families.

Community Events

- Oak Creek Day of Wellness
- Library Story Time
- Farmers Market
- National Night Out
- NNO Senior Day
- Medication Collection
- DTS Beer Garden
- Back to School Bash

Ads @ the Movies!

The Health Department is continuing its work to prevent overdose deaths in the community! Through October, an ad that airs before every movie and posters in the lobby at Marcus South Shore Cinema will help raise awareness about the presence of fentanyl in drugs and Narcan (naloxone) availability.

Mocktails

To raise awareness about alcohol alternatives, we partnered with local businesses, Bel Air and Chick-fil-A, to provide FREE mocktails at the Beer Garden! We offered cucumber refreshers and lemonade to those interested and provided recipe cards so they could be made at home.

Water Safety at Bender Beach

This summer, we held water safety "pop-up" events at Bender Beach Park. Staff provided water safety education including the use of life jackets on boats, designating an adult as a "water watcher," and staying hydrated while spending time by the water.
